*The Great Book of Philadelphia Sports Lists (Completely Revised and Updated Edition)* Glen Macnow, Big Daddy Graham, 2019-10-29 When it comes to sports talk no city has more to say than Philadelphia. With their 2007 The Great Book of Philadelphia Sports Lists WIP sports radio hosts Glen Macnow and Big Daddy Graham compiled dozens of sports lists to stir up dialog and debate within the buzzing Philadelphia sports community and beyond. A lot has happened in Philly sports since 2007: the Phillies 2008 World Series win, the Eagles record breaking 2017 season, now famous Philly Special play and Super Bowl LII victory over the Patriots, the Sixers Trust the Process campaign and of course Gritty so now Glen and Big Daddy are back with dozens of new lists to keep the conversation fresh ranking things like The most overrated and underrated players in Philly sports history, The top 10 Philadelphia sports quotes, The 10 worst Eagles draft picks ever, The greatest duos in Philly sports history, The 10 best sports movies set in Philadelphia, The worst bosses in Philly sports history and much more.

Greatest Teams and Greatest Players – A History of Test Cricket R. I. Gilbert, 2025-08-15 Test cricket pits country against country in a five day struggle for cricket supremacy. It is the ultimate cricketing challenge for those players who are skilful enough and dedicated enough to represent their country at the highest level. But Test cricket is much more than that: it is a source of national pride and a mechanism that brings together vastly different cultures and communities, encouraging mutual respect as well as a shared admiration for the heroes of the game. Ever since the first Test match in 1877, lovers of cricket have argued over who was the best, the best team, the best batsman, the best bowler, the best wicketkeeper, the best captain, the best slips fielder and so on. Of the millions who have played cricket, only 3,162 men have been good enough to play Test cricket for their countries and of these, 841 were successful enough to play more than 20 Test matches. This book is about those few, the best of the best. Based solely on the batting and bowling ratings obtained using only the players' statistics, the best Test team for each era has been selected from every Test player who played more than 20 Test matches in that particular time period. The best national teams in each era for each participating country have also been selected. It is hoped that the national and world teams selected here and the comparisons between players provide for an enjoyable reading, both settling old arguments and creating new ones.
