**Does This Make Me Funny?** Zosia Mamet, 2025-09-09 From the singular

mind of Zosia Mamet a collection of charmingly witty and achingly vulnerable essays about the challenge and magic of growing up in show business You may know Zosia Mamet from her role as Shoshanna on *Girls* or for being one of Hollywood's original nepo babies or as she says So if I'm a nepo baby I'm like a B minus one at best and maybe not even a full one I'm like a nepo baby lite a nepito baby if you will What you might not know is that as a toddler she visited theaters where her mom was rehearsing and crawled around on the floor scrunching herself between seats that she earnestly believed in Santa Claus for way too long that she spent years navigating body image issues in hopes of finding elusive self love and that she was so overwhelmed and overjoyed when finally meeting her idol David Sedaris that she hid in the bathroom and melted into a glitter puddle The essays in *Does This Make Me Funny* introduce us to Zosia Mamet in all her glory from her early days growing up in literary and dramatic circles to her years as a young adult pining for acceptance and love to her first attempts to make it as an actor to where she and Shosh are now A gripping funny and earnest look at what it means to be a girl in the world and how to define yourself amid the bustle of show business *Does This Make Me Funny* is a captivating debut from a natural born storyteller

***Baily's Magazine of Sports and Pastimes***, 1872 *MY LITTLE GIRL,*  
*ABIGAIL* Arthur L. Ellis, PhD, 2014-05 This is my Mom's journal the daily life of a single teenage mother Her experience with me as an infant was so much fun My Mom soon learned that it wouldn't be easy caring for a baby all day every day Day one began the journey when she introduced me to her friends and family She fixed my curly brown hair up in a bow and put a newborn diaper on me Mom didn't know there were so many styles of diapers to choose from in the store It was mind boggling My mom said I had the cutest little ears she had ever seen I was very heavy for mom to carry me everywhere all over school including her books The only time when she needed a babysitter was when she had football games and class so basically I was with the babysitter all day I saw right then that day care would be a necessity I hired my parents my granddad and my friends to baby sit Whenever I and the other went to practice we created a meeting place in the classroom If Abigail were in need care services I would pay around 90 a week just for her to go to day care and that doesn't include any extra food or diapers I would need to send I also couldn't imagine having to wake up every two hours all night long to feed change

diapers and rock Abigail back to sleep Then again I know I would really love my baby so I would take care of her the proper way Before Abigail was born I know I was going to name her Abigail If one day I have a boy I am going to name him Colton Hopefully whomever I marry will think the same I have decided I only want a few children about three but I definitely do not want to be a pregnant mom in college taking care of more children when I am only a kid myself I know I would have to focus on my schoolwork instead of taking care of a baby I gave Abigail a certain time to play and then it was nap time for my little baby She needed her rest for the next day because we would have to go to school then day care all over again
