## **The Bible And Flying Saucers:**

*Flying Saucers in the Bible* Virginia F. Brasington, 1963      **The Bible And Flying Saucers** Barry H. Downing, 2019-03-10 The thesis of this book is that the Bible contains stories of beings angels that come down from the sky and are sometimes associated with objects in the sky such as the pillar of cloud by day and pillar of fire by night which led the Jewish Exodus from Egypt This UFO is similar to modern UFOs which one military pilot described as looking like a Tic Tac cylindrical white or cloud like in color about 40 feet long rounded on each end with no visible propulsion system It seems likely that the UFOs seen in modern times are related to the same reality that started the biblical religion in both its Old and New Testament forms Chapter 3 studies the book of Exodus in great detail explaining how the Exodus UFO pillar of cloud and fire apparently used its propulsion system to part the Red Sea In the New Testament it is argued that our modern alien angels were probably the power that raised Jesus from the dead and carried the risen Jesus to the Damascus Road where the Apostle Paul was converted Acts 9 This book has some parallels with Erich Von Daniken s Chariots of the Gods but differs from Von Daniken in that it is argued that the aliens are not gods as Von Daniken suggests but rather beings who have a high knowledge of God and created the Biblical religions in both their Jewish and Christian form to move the human race away from idolatry and toward a more spiritual sense of the divine reality Chapter V asks Where is Heaven and explores the possibility that the resurrection stories of Jesus where he is able to enter locked rooms after his resurrection suggests that heaven may be another dimension in the midst of us Modern UFOs are reported to appear and disappear in an instant suggesting they too may be part of a multi dimensional reality Einstein s Theory of Relativity is offered as a clue to understanding some of the strange resurrection stories This book is an attempt to make sense of biblical stories that suggest the presence of extraterrestrial powers and to examine modern UFO stories for evidence that biblical angels and modern aliens may be the same reality      **The Bible and Flying Saucers** Barry H. Downing, 1980      [The Bible and Flying Saucers](#) Barry H. Downing, 1973      **The Bible and Flying Saucers** Downing, Theodore E Downing, 1997-10-23 A UFO enthusiast who is also a minister draws a connection between biblical mythology and visits from alien beings in this thought provoking book from the publishers of Beyond Roswell Top Secret Magic and Crash at Corona Color illustrations      **BIBLE & FLYING SAUCERS** B. DOWNING, 1925-01-20      **The Bible & Flying Saucers** Barry H. Downing, 1970      *Flying Saucers in the Holy Bible* Timothy G. Beckley, 2002-10 Angels Demons Extraterrestrials A sign of the Second Coming A Religious Leader A Biblical Scholar A UFO Researcher And An Emmy Award Winning Journalist reveal The Bible is full of descriptions of UFOs that interacted with the Prophets of the Old and New Testaments For the first time five experts in their individual fields re examine the Holy text in light of our current knowledge of space travel and UFO related phenomenon offering a number of startling conclusions The Tower of Babel was a spaceport presided over by godless scientists God once walked the Earth in physical form The Star of Bethlehem in all probability was flying saucer ushering in His arrival The parting of the Red Sea

was a miracle performed by extraterrestrials who had befriended the Israelites and levitated them across the Red Sea That a giant spacecraft could possibly have landed upon Mount Sinai and given Moses the 10 Commandments Furthermore there is evidence says a member of our investigative team that at least one known Biblical figure went for a ride in a UFO It is also revealed that God may still be communicating to an inspired few members of a secret society that may possess a device that acts as sort of a transceiver between the Lord and the Chosen Few And that members of the Royal Family of England believe they have a direct link to Higher Realms as they are in possession of a stone with magical properties which is used as a pillow which now rests in Westminster Abbey upon which Kings and Queens have been crowned for centuries **Flying Saucers**

**and the Bible** James S. Rigberg,1956 **Antediluvian Conquest of Our Planet by Aliens in Flying Saucers** Charles L. Hammond,2010-07-18 Read about the most fantastic legend ever told a certain battalion of alien creatures once visited earth in the remote past who after metamorphosing their bodies into human shape started mingling with mankind and begun generic fertilization experiments between themselves humans and animals which resulted in producing a plethora of legendary giants and mythical monsters who terrorised humanity Later they decided to destroy them using super weapons and flying machines which resulted in triggering the Genesis deluge thus forcing them to their original abode Who were these alien creatures Where did they come from What was the purpose of their visit Will they someday return Are some of them still amongst us **Flying Saucers in the Bible** Virginia Brasington,2014-05-09 The author of Flying Saucers in the Bible Virginia Brasington was licensed as a minister in the State of North Carolina by the Church of the Nazarene In this wonderful period piece of ufology literature Brasington takes up topics like the story of the Pillar of Cloud which guided Moses and the Israelites through the desert In Exodus 14 19 20 she writes we read how the Pillar of Cloud would change position as the circumstances warranted it It glowed at night and made a light for the whole camp of Israel but in the daytime it was a thick grey mass that protected them from the hot burning desert sun In the 20th verse mentioned above it tells us how when they were engaged in battle or when the Egyptians drew too near the Israelites this huge object moved between the enemy and the Israelites and would glow on the side of the Israelites thus giving them light to perform their camp duties while on the side of the Egyptians it was dark It was just as though God put His great big hand between them Brasington also provides a comprehensive list of the many references to clouds in the Old Testament specifically God appearing at various times to be using clouds as a form of transportation This incident is recorded in the 16th chapter of Exodus When the Children of Israel had been murmuring and complaining Brasington recounts and Aaron had called them together to deliver a lecture on ingratitude we are told in the 10th verse that they looked toward the wilderness and behold the glory of the Lord appeared in the cloud So evidently this was some kind of vehicle that hovered over them stood on end beside them glowed when necessary and put out some kind of vapor that condensed and kept a continual cloud over them to protect them from the sun and maybe to protect the people from radiation burns and somehow God was aboard Further examples of clouds are listed

The following are both from Exodus 19 And the Lord said to Moses Lo I come unto thee in a thick cloud and the people may hear when I speak with thee and believe thee forever And it came to pass on the third day in the morning that there were thunders and lightnings and a thick cloud came upon the mount and the voice of the trumpet exceeding loud so that all the people that were in the camp trembled But clouds are not the only symbolic representation of God s celestial modes of transportation The Bible speaks of fiery chariots called the merkavah Several modern Israelis have suggested that UFOs in Hebrew are called merkavah mophetim or vehicles of wonder According to Brasington the Bible also speaks of the fiery chariots as being heavenly ambassadors or angels The prophets said that these were the watchmen watching over Israel and that they were acting on the behalf of Israel according to the will of God Does the Old Testament refer to what we would today call UFOs fighting on behalf of Israel Is the same alien presence that drove the stories of the Old Testament still present today watching over a Promised Land divided by racial conflict and warfare If so do they offer an assurance of a future peace or future slavery Read this book to find some of the answers     *Biblical UFO Revelations* Dr Barry H. Downing, 2017-09-14

CHRISTIAN MINISTER MAINTAINS MIRACLES OF THE OLD AND NEW TESTAMENTS ARE MANIFESTATIONS OF AN EXTRATERRESTRIAL INTELLIGENCE The Reverend Barry Downing s credentials are impressive adding scholarly weight to his theories regarding anomalous and miraculous events as portrayed in the Old and New Testaments Downing holds a Ph D in the relation between religion and science from the University of Edinburgh of Scotland He also has a bachelor s degree in physics from New York s Hartwick College as well as a degree from Princeton Theological Seminary Dr Downing has studied the Bible most of his life Not unusual for a pastor but what makes his evangelistic career unique is that he has also studied the UFO phenomena since the mid 1950s The combination of both pursuits resulted in the 1968 publication of his controversial book *The Bible and Flying Saucers* which would lay important groundwork regarding the blending of the divine with the theory that earth has been visited by extraterrestrials in ancient times and that these visitations continue to this day This work is his long awaited sequel in which he expands upon the polemic issues previously put forth including that the Parting of the Red Sea in the Bible s Exodus was accomplished by a cylindrical UFO a cigar shaped ship whose kind is still reported That Jesus was an extraterrestrial sent to earth to rid the world of sin and wickedness quoting Biblical text to support his claim That Jesus left earth in a spaceship to another planet or perhaps another spatial dimension That angels were actually aliens and that the angelic aliens spoke to Moses on Mount Sinai where he boarded a UFO to receive the Ten Commandments and specifications for the construction of the Tabernacle It was aliens who guided the ancient Israelites providing them with manna in the wilderness In the modern world Downing contends with mainstream religion s refusal to take the subject seriously Christian liberals don t want to hear the miracles of the Bible were real and Christian conservatives don t want the miracles credited to simple aliens in flying saucers Thus one can see that Downing an ordained minister is bravely risking disapproval from a wide swathe of fellow Christians not ready for his message Many of

the issues discussed by the author raise the issue of ontology or what is real and what is the nature of being Rev Downing believes that recent discoveries in quantum physics tend to confirm that Biblical phenomena could be real Modern quantum physics has revealed a world he states that is not full of solid objects on one hand and space on the other but rather a dynamic world in which solid objects are mostly space with various types of quantum energy spinning away to create the illusion of solid objects making it difficult to know for certain what we think we know As for a possible global cover up of the UFO phenomenon Rev Downing espouses the theory that if UFOs truly carry the angels of Christ their strange technology and behavior may be as upsetting to government scientists as the Resurrection of Jesus was to the disciples Their real world understanding had to expand and so must ours he rightfully concludes This book is for the faithful as well as those who are primarily interested in unexplained historical phenomena as revealed in Biblical as well as other ancient texts as well as seekers of censored truths concerning the hidden and forbidden knowledge of mankind *Flying Saucers Through the Ages* Paul Misraki,1966 *The Ancient Alien Theory: Part Five* C.R.
