Drive-By Truckers' Southern Rock Opera Rien Fertel,2018-10-18 The Drive By Truckers Southern Rock Opera takes listeners on a road trip through the American South with stops along mean old highways and soul sucking swamps iconic recording studios and doomed chartered jets and even Heaven and Hell Along the way the Truckers attempt to untangle the mess that is southern history by exploring the contradictory dualistic nature of the region Like twin paths intersecting and diverging before meeting again the opera's libretto focuses on the lives of two bands the fictional Betamax Guillotine a stand in for the Truckers themselves and Southern rock gods Lynyrd Skynyrd Rien Fertel takes us for a ride along the Truckers winding road through the opera's Southlands a region filled with youthful rockstar aspirations fatal crashes the wreckage of one band gone too soon and the ambitions of another wrestling with the great hope and tragedy that is America

Historical Dictionary of Popular Music Norman Abjorensen,2017-05-25 This book seeks to trace the rise of popular music identify its key figures and track the origins and development of its multiple genres and styles all the while seeking to establish historical context It is fundamentally a ready reference guide to the broad field of popular music over the past two centuries It has become a truism

that popular music so pervasive in the modern world constitutes a soundtrack to our lives a constant though changing presence as we cross thresholds and grow from children to teenagers to adults But it has become more than a soundtrack it has become a narrative Not just an accompaniment to our daily lives but incorporating our lives our sense of identity our lived experiences into it We have become part of the music just as the music has become part of us The Historical Dictionary of Popular Music contains a chronology an introduction an appendix and an extensive bibliography The dictionary section has over 1000 cross referenced entries on major figures across genres definitions of genres technical innovations and surveys of countries and regions This book is an excellent resource for students researchers and anyone wanting to know more about popular music
