The Philosophy Of Dialectical Materialism:

The Philosophy of Dialectical Materialism I. Ilyenkov, 1984 *The Categories of Dialectical Materialism* Guy Planty-Bonjour, 2012-12-06 *Soviet Russian Dialectical Materialism [Diamat]* J.E. Blakeley, 2012-12-06 This book offers a critical outline of the sources of the history of the spirit and of the doctrines of present day Soviet Russian Dialectical Materialism Diamat i.e. of the philosophical foundations of Marxism Leninism It is scarcely necessary to stress the usefulness of a short outline of this kind as Russian sources are not easily accessible in the West and as it is of considerable interest to know the doctrines which make up the faith of the Communists in all countries The material for this book was first made public in a series of lectures at the University of Fribourg Switzerland first in French in the summer term of 1949 later in English at the Summer School in the same year The French text slightly expanded was translated into German by Miss M Hoerkens Dipl. rer. pol. Various imperfections in the wording of the text and in the bibliography can be explained by the process of formation of this book The author hopes that such imperfections will not prove disturbing *Dialectical Materialism* Gustav Andreas Wetter, 1963 **The Revolutionary Philosophy of Marxism** Karl Marx, Friedrich Engels, Alan Woods, V.I. Lenin, Leon Trotsky, 2018-11-22 A Selection of Writings on Dialectical Materialism by Marx Engels Lenin Trotsky Plekhanov and Luxemburg and Alan Woods Edited by John Peterson with an Introduction by Alan Woods On the bicentennial of his birth Karl Marx's ideas are more relevant than ever While he is perhaps best known for his writings on economics and history anyone who wishes to have a fully rounded understanding of his method must strive to master dialectical materialism which itself resulted from an assiduous study and critique of Hegel Dialectical materialism is the logic of motion development and change By embracing contradiction instead of trying to write it out of reality dialectics allows Marxists to approach processes as they really are not as we would like them to be In this way we can understand and explain the essential class interests at stake in our fight against capitalist exploitation and oppression At every decisive turning point in history scientific socialists must go back to basics Marxist theory represents the synthesized experience historical memory and guide to action of the working class The Revolutionary Philosophy of Marxism aims to arm the new generation of revolutionary socialists with these essential ideas **Karl Marx and the Intellectual Origins of Dialectical Materialism** J. White, 1996-10-25 The book provides a genealogy of dialectical materialism by tracing the development of Marxist ideas from their origins in German philosophical thought to the ideology of the social democratic groups in Russia in the 1890s from which Lenin and the revolutionary generation emerged It reconstructs Marx's original conceptions and examines the modifications that were made to them by himself and by his Russian followers which eventually gave rise to the doctrine of dialectical materialism first expounded by Plekhanov *Phenomenology and Dialectical Materialism* Đức Thảo Trần, 1986 Tran Duc Thao a brilliant student of philosophy at the Ecole Normale Supérieure within the post 1935 decade of political disaster born in Vietnam shortly after the First World War recipient of a scholarship in Paris in 1935-37 was early noted for

his independent and original mind_ While the 1930s twisted down to the defeat of the Spanish Republic the compromise with German Fascism at Munich and the start of the Second World War and while the 1940s began with hypocritical stability at the Western Front followed by the defeat of France and the occupation of Paris by the German power together with French collaborators and the n ended with liberation and a search for a new understanding of human situations the young Thao was deeply immersed in the classical works of European philosophy He was al so the attentive but critical student of a quite special generation of French metaphysicians and social philosophers Gaston Berger Maurice Merleau Ponty Emile Brehier Henri Lefebvre Rene le Senne Jean Paul Sartre perhaps the young Louis Althusser They in their several modes of response had been meditating for more than a decade on the philosophy of Edmund Husserl which came to France in the thirties as a new metaphysical enlighten ment phenomenology *Reason in Revolt, Vol. II* Ted Grant,2003 Two of Britain s deans of socialist thought consider the philosophical writings of Marx and Engels in the light of recent advances in the sciences The authors have written a dozen books this work is a hit in ten countries The book reasserts the dialecti **The Evolution of Dialectical Materialism** Zbigniew A. Jordan,1967 *Dialectical Materialism and Historical Dialectics of Karl Marx* Mbogo Wa Wambui,2020-06-17 Research Paper undergraduate from the year 2011 in the subject Philosophy Philosophy of the 19th Century grade A University of Nairobi language English abstract This paper seeks to explain Karl Marx s dialectical materialism and historical dialectics The stimulus of the work of Marx was the hope of a social revolution in his lifetime or in the future Unlike British classical economics who aimed at the welfare of the capitalists Marx worked to represent the interest of the wage earner This is best represented in the Communist Manifesto of 1848 Marx called himself a materialist though under Hegelian influence In 1843 he went to France to study socialism There he met Engels the manager of a factory in Manchester From him he came to know of English labour conditions and English economics After taking part in the French and German revolutions of 1848 he sought refuge in England in 1849 from where he wrote and amassed knowledge

Philosophy in the USSR ,1981 **The Philosophy of Dialectical Materialism** I. Jukovec,1984 *Dialectical Materialism* Gustav A. Wetter,2024-11-26 Dialectical Materialism 1958 surveys the history of dialectical materialism from its Hegelian beginnings to the death of Stalin and its sequel in the celebrated XXth Party Congress of the C P S U It also presents a systematic account of the theory as it was formulated and discussed by the philosophers of the Soviet Union

Dialectical Materialism Ira Gollobin,1986 *Dialectical Materialism and the History of Philosophy* Theodore I. Oizerman,1982 **Dialectical Materialism and Quantum Physics** Hanoch Gutfreund,Juergen Renn,2025-11-04 This is the story of David Bohm s hitherto unpublished notes uncovered from a series of lectures given in Israel in 1957 to a group of Marxist physicists from the Hashomer Hatsair young guard movement The notes explore quantum theory and dialectical materialism as well as shedding light on the intellectual and emotional resources of his persistent rebellion against orthodoxies in science The discussion places his lectures notes in a wider historical scientific and philosophical context and

traces Bohm's intellectual development from an early attempt to better understand the Copenhagen interpretation of quantum mechanics to his elaboration of an alternative causal interpretation based on the notion of hidden variables. As the lecture notes strikingly illustrate, dialectical materialism played a fundamental role for the further development of his understanding of quantum mechanics. Bohm placed the notions of infinity of nature and the unity of opposites in the center of his natural philosophy, drawing from the works of Hegel, Marx, Engels, and Lenin. The authors also examine Bohm's legacy in the history of quantum mechanics and his contribution to preparing the second quantum revolution. Bohm's engagement with dialectical materialism and his role as a dissident to the orthodox interpretation of quantum mechanics were pivotal in bringing about the novel insights and technologies associated with this second quantum revolution. During the 1960s, Bohm developed a growing interest in the nature of consciousness and engaged with the philosopher Jiddu Krishnamurti. In spite of a seemingly fundamental break with earlier philosophical positions, this new phase in Bohm's intellectual odyssey was not completely unrelated to his fascination with and deep understanding of Hegel's philosophy, which the lecture notes amply document for the first time.

Dialogues on the Philosophy of Marxism John M. Somerville, Howard L. Parsons, 1974 **Is the Philosophy of Dialectical Materialism Out of Date?** Joseph McCabe, 1936 **Dialectics of Human Nature in Marx's Philosophy** M. Tabak, 2012-07-16

A scholarly exploration of Marx's thought without any favorable or critical ideological agendas, this book opposes the compartmentalization of Marx's thought into various competing doctrines such as historical materialism, dialectical materialism, and different forms of economic determinism.
