

Methamphetamine Cooking Recipe

Roger William Haines

Methamphetamine Cooking Recipe:

Fighting Meth in Americas Heartland: Assessing Federal State and Local Efforts , Secrets of Methamphetamine Manufacture Fester (Uncle.), Fester, 2002 This title is out of print as of 03 02 2005 A new revised and updated edition Secrets of Methamphetamine Manufacture 7th Edition will be available as of 03 08 2005 **Meth Matters**, 1999 This study conducted by the Criminal Justice Research Division of the San Diego Association of Governments SANDAG used the Arrestee Drug Abuse Monitoring ADAM program to document methamphetamine use and its consequences among arrestees in five cities Los Angeles San Diego and San Jose in California Phoenix Arizona and Portland Oregon P ix x **The Devil's Drug** Teun Voeten, 2025-02-18 With a combination of thorough investigative journalism daring fieldwork and colorful atmospheric sketches Teun Voeten draws a very detailed and disturbing picture of a drug that is on a rapid international rise Methamphetamine commonly referred to as crystal meth is one of the most addictive drugs in the world Heavy users can destroy themselves in just a few months Originally given by the Nazis to their troops to fight the blitzkrieg it has now conquered the whole world and is used at sex parties in Amsterdam and Antwerp by former hippies in Prague by the underclass in the slums of Harare Cape Town and Peshawar by truck drivers in Thailand and by workers in the sweatshops in Bangladesh Researcher Teun Voeten traveled the globe for two years to investigate all sides of this diabolic drug exploring the bizarre history and pharmacological effects He talked to homeless addicts in Tijuana and Los Angeles cartels in Mexico international drug experts in Bangkok and Kabul and more Voeten also interviewed numerous authorities judges and social workers who are trying to stop the meth epidemic Fighting meth in America's heartland United States. Congress. House. Committee on Government Reform. Subcommittee on Criminal Justice, Drug Policy, and Human Resources, 2006 **The Methamphetamine Industry in America** Henry H Brownstein, Timothy M. Mulcahy, Johannes Huessy, 2014-07-31 Galax a small Virginia town at the foot of the Blue Ridge Mountains was one of the first places that Henry H Brownstein Timothy M Mulcahy and Johannes Huessy visited for their study of the social dynamics of methamphetamine markets and what they found changed everything They had begun by thinking of methamphetamine markets as primarily small scale mom and pop businesses operated by individual cooks who served local users generally stymied by ever more strenuous laws But what they found was a thriving and complex transnational industry And this reality was repeated in towns and cities across America where the methamphetamine market was creating jobs and serving as a focus for daily lives and social experience The Methamphetamine Industry in America describes the reality that the methamphetamine industry is a social phenomenon connecting local national and international communities and markets The book details the results of a groundbreaking three stage study part of a joint initiative of the National Institute on Drug Abuse and the National Institute of Justice in which police agencies across the United States were surveyed and their responses used to identify likely areas of study The authors then visited these areas to observe and interview local participants from users and dealers to law enforcement officers and

clinical treatment workers Through the eyes and words of these participants the book tells the story of the evolution of methamphetamine markets in the United States over the past several years given changes in public policies and practices and changing public opinion about methamphetamine The authors look closely at how the markets are part of a larger industry how they are socially organized and how they operate They also consider the relationships among the people involved and those around them and the national regional and local culture of the markets Their work demonstrates the importance of understanding the business of methamphetamine and by extension other drugs in society through a lens that focuses on social behavior social relationships and the cultural elements that shape the organization and operation of this illicit but effective industry

Forensic Investigation of Clandestine Laboratories Donnell R. Christian, Jr.,2003-07-28

Clandestine lab operators are not the mad scientists whose genius keeps them pent up in the laboratory contemplating elaborate formulas and mixing exotic chemicals In fact their equipment is usually simple their chemicals household products and their education basic Most of the time the elements at the scene are perfectly legal to sell and own It is only in the combination of all these elements that the lab becomes the scene of a criminal operation Forensic Investigation of Clandestine Laboratories guides you step by step through the process of recognizing these illegal manufacturing operations Then it shows you how to prove it in the courtroom In non technical language this book details How to recognize a clandestine lab How to process the site of a clandestine lab How to analyze evidence in the examination laboratory What to derive from the physical evidence How to present the evidence in court The identification and investigation of a clandestine lab and the successful prosecution of the perpetrators is a team effort A collaboration of law enforcement forensic experts scientists and criminal prosecutors is required to present a case that definitively demonstrates how a group of items with legitimate uses are being used to manufacture an illegal controlled substance Providing an understanding of how the pieces of the clandestine lab puzzle fit together this book outlines the steps needed to identify and shut down these operations as well as successfully prosecute the perpetrators
