AUTHOR OF I WANNA BE YOUR JOEY RAMONE

# Ballads Of Suburbia

**George Barnett Smith**

## Ballads Of Suburbia:

*Ballads of Suburbia* Stephanie Kuehnert, 2009-07-21 A stunning tale of suburbia's darker underbelly by the critically acclaimed author of *I Wanna Be Your Joey Ramone* Stephanie Kuehnert Ballads are the kind of songs that Kara McNaughton likes best Not the clichéd ones where a diva hits her dramatic high note or a rock band tones it down a couple of notches for the ladies but the true ballads the punk rocker or the country crooner reminding their listeners of the numerous ways to screw things up In high school Kara helped maintain the Stories of Suburbia notebook which contained newspaper articles about bizarre tragic events from suburbs all over America and personal vignettes that Kara dubbed ballads written by her friends in Oak Park just outside of Chicago But Kara never wrote her own ballad Before she could figure out what her song was about she left town suddenly at the end of her junior year Now four years later Kara returns to her hometown to face the music needing to revisit the disastrous events that led to her leaving in order to move on with her life Intensely powerful and utterly engaging *Ballads of Suburbia* explores the heartbreaking moments when life changes unexpectedly and reveals the consequences of being forced to grow up too soon [Catalog of Copyright Entries](#) Library of Congress. Hodgkinson, 2012-05-01 In 1903 the Victorian composer Cecil Sharp began a decade long journey to collect folk songs that he believed captured the spirit of Great Britain A century later with the musical and cultural map of the country transformed writer and journalist Will Hodgkinson sets out on a similar journey to find the songs that make up modern Britain He looks at the unique relationship the British have with music and tries to understand how the country has represented itself through song He visits remote pubs in the West Country where families have been passing down local songs for generations monasteries in Oxfordshire where monks use plainsong to commune with God sits in with Hindu devotional singers in the suburbs of Birmingham and learns an ancient folk tune from a Sussex farmer Will goes from the heart of the mainstream music scenes to the very fringes as part of his quest visiting in turn remote musical heartlands and great urban musical cities London The Kinks The Who and Blur Liverpool The Teardrop Explodes Echo The Bunnymen The Beatles Manchester Joy

Division Stone Roses Oasis and Sheffield Cabaret Voltaire The Human League Pulp and more recently The Arctic Monkeys all feature prominently as the respective homes of clusters of great bands that have helped shape the British musical landscape An engaging blend of humour and musical scholarship The Ballad of Britian is as much a portrait of Britain as an adventure into lyric and melody The project forced the author into an itinerant life scouring the length and breadth of the country for singers and songwriters in an attempt to discover whether songs still travel the way they once did to find out whether folk music still exists in a meaningful sense and to see how regional variations contribute to a collective musical Britishness
