The Fateful Pebble Afghanistans Role In The Fall Of The Soviet Empire

David MacKenzie, Michael W. Curran

The Fateful Pebble Afghanistans Role In The Fall Of The Soviet Empire:

The Fateful Pebble Anthony Arnold, 1993 *The Fateful Pebble* explores the Soviet defeat in Afghanistan as a catalyst that helped trigger the first extraordinary political event of the 20th century the self generated collapse of the Soviet empire At the dawn of the 1980s decade the Soviet military machine seemed invincible and Moscow s expansionist designs unswervable Intermediate range SS 20 missiles were intimidating Western Europe the Soviet ICBM force was at least the equal of America s and with the invasion of Afghanistan at the end of 1979 the Kremlin showed its willingness to project its power directly into a neighboring nonaligned country But nearly ten years later the last Soviet army regular units withdrew into Central Asia without ever having conquered the elusive Afghan resistance fighters who had spontaneously risen up against them Less than three years after that retreat the Soviet Union itself had ceased to exist The early chapters provide unique perceptions of Russian and Afghan psychology a historical view of how military defeat had led to earlier Russian domestic upheavals and a description of how the Communist Party apparatus the Soviet military establishment and the KGB had successfully defended Moscow s empire in the past The details of the consecutive failure of each of these institutions to solve Moscow s Afghanistan problem show how the authority of each was seriously undermined at home and abroad Each as it lost its prestige with the public and its own middle grade officers Internally splintered no longer mutually supportive and resting on an eroding foundation of war weakened public confidence eventually the three institutions collapsed together with the regime they supported The book illustrates how the KGB in particular suffered defeat because it came to believe its own disinformation In the end the implosion of the vast false front Potemkin village that had been the Soviet Union can be ascribed in large part to the cruel truths of the Afghan war

The Russian Military Resurgence René De La Pedraja, 2018-12-11 The transition from the Soviet to the post 1991 Russian military is a fascinating story of decline and reinvention The Soviet army suffered a slow demise dissolving in 2000 and only gradually reforming based on radically different principles The First Chechnya War 1994 1996 was the lowest point for the Soviet military but the Second Chechnya War 1999 2004 saw the initial stirrings of the new Russian army The Five Day War with Georgia in August 2008 was its first major success and marked Russia s return to world power status Lively accounts and maps describe the actions of these wars along with the Crimea operation of 2014 the separatist struggles in eastern Ukraine and the ongoing Russian intervention in Syria

Why Did the Soviet Union Collapse? Robert W. Strayer, 1998 *Coming Apart The Final Days of the Soviet Union* QUESTIONS AND CONTROVERSIES Why a Peaceful Death QUESTIONS AND CONTROVERSIES Meaning and History Suggestions for Further Study Index About the Author

[Why Allies Rebel](#) Barbara Elias, 2020-07-02 Why do powerful intervening militaries have such difficulty managing comparatively weak local partners in counterinsurgency wars Set within the context of costly large scale military interventions such as the US war in Afghanistan this book explains the conditions by which local allies comply with or defy the policy demands of larger security partners Analysing nine large scale post colonial

counterinsurgency interventions including Vietnam Afghanistan Iraq Sri Lanka Yemen Lebanon Cambodia and Angola this book utilizes thousands of primary source documents to identify and examine over 450 policy requests proposed by intervening forces to local allies By dissecting these problematic partnerships this book exposes a critical political dynamic in military interventions It will appeal to academics and policymakers addressing counterinsurgency issues in foreign policy security studies and political science

The Collapse of the Soviet Union Paul A. Winters, 1999 A collection of 21 brief essays most by U S writers chronicles the disintegration of the Soviet empire from the reforms of the 1980s to the dramatic events of 1991 with projections for the future of the newly independent states

War and State-Building in Afghanistan Scott Gates, Kaushik Roy, 2014-11-20 The Mughals British and Soviets all failed to subjugate Afghanistan failures which offer valuable lessons for today Taking a long historical perspective from 1520 to 2012 this volume examines the Mughal British Soviet and NATO efforts in Afghanistan drawing on new archives and a synthesis of previous counter insurgency experiences Special emphasis is given to ecology terrain and logistics to explain sub conventional operations and state building in Afghanistan War and State Building in Modern Afghanistan provides an overall synthesis of British Russian American and NATO military activities in Afghanistan which directly links past experiences to the current challenges These timely essays are particularly relevant to contemporary debates about NATO s role in Afghanistan do the war and state building policies currently employed by NATO forces undercut or enhance a political solution The essays in this volume introduce new historical perspectives on this debate and will prove illuminating reading for students and scholars interested in military history the history of warfare international relations and comparative politics

Modern Afghanistan Amin Saikal, 2004-08-27 Afghanistan s recent history is a sad one Soviet invasion in 1979 Pakistan backed internal conflict in the 1980s the Taliban regime and then the US invasion and the multi national occupation after the events of 11 September 2001 Why does Afghanistan remain so vulnerable to domestic instability foreign intervention and ideological extremism In reconstructing the tempestuous narrative of modern Afghanistan Amin Saikal provides a sweeping new understanding of its troubled past and present He identifies the country s inability to develop stable political structures as stemming from the inter dynastic rivalry complicated by polygamy that scarred successive royal families from the end of the eighteenth century until the pro Soviet Communist coup of April 1978 all exacerbated by foreign interventions feeding on fragile domestic structures and the rise and fall of different ideological streams Here for the first time is an up to date analysis of the era of the Taliban s rule the effects of US domination in the country and attempts to negotiate a US withdrawal including talks about talks with the Taliban themselves This book which sets the crisis of Afghanistan in the context of the country s modern history and social structures makes a major and highly original contribution towards a better and more nuanced understanding of this ill fated land It is the definitive study of Afghanistan and its troubles in national regional and international contexts from 1747 to the present day

Eleven Paul Hanley, 2014-09-16 Eleven billion people will crowd this

marvelous planet by century s end If the global economy were to grow five fold during this period as predicted humanity s ecological footprint would exceed Earth s biocapacity by 400% We need to chart a new course to the future The sweeping changes that make a full world work involving dual processes of destruction and reconstruction will transform global culture agriculture and ultimately the human race ELEVEN is a call to consciousness Only an ethical revolution will allow us to carry forward an ever advancing civilization Paul Hanley proposes a transformational model that will help individuals institutions and communities make an eleven billion world work for everyone and the planet **Afghanistan Studies Journal** ,1992

Conflict in Afghanistan Frank A. Clements,Ludwig W. Adamec,2003-12-02 A comprehensive A Z study of the history of conflict in Afghanistan from 1747 to the present This authoritative clearly written volume covers all aspects of the conflicts that have taken place in Afghanistan from 1747 to the present Conflict in Afghanistan provides the reader with a historical overview of hostilities in Afghanistan and discusses their causes history and impact on Afghan society and on regional and international relations A single A Z section covers the three main eras in Afghanistan s history the period from 1747 when Afghanistan first emerged as a unified state the Soviet era 1979 1989 which saw the overthrow of the monarchy the declaration of the Republic and the rise of the Mujahideen and the post Soviet period which brought civil war the rise of the Taliban and finally the events of September 11 and the War on Terrorism both of which receive special attention **A**

History of Russia, the Soviet Union, and Beyond David MacKenzie,Michael W. Curran,1999 In this revision of their best selling text MacKenzie and Curran present a clear and objective account of the history of Russians and other eastern Slavs from its beginnings in ancient Rus to the demise of the Soviet Union and most recently the Putin presidency Acclaimed in the field for its clarity comprehensiveness and accuracy the text balances social cultural history with political history The authors approach weaves the external geographic determinism of the Eurasian school and the organic inner oriented approach of Russian historians *The Fall of Great Powers* Geir Lundestad,1994 The collapse of the Soviet Union has produced many

dramatic effects some positive the end of the Cold War disarmament self determination for Central Europe and others quite negative ethnic conflict in the former Soviet Union and Yugoslavia and general instability in the region In a thorough analysis of the Soviet case Britain Austria Hungary Germany and the United States this timely study examines why great powers fall The contributors examine the wide ranging consequences of the fall of great powers for peace and stability in the world They focus much attention on the tension between stability and legitimacy and between a peaceful and just democratic order The contributors include many of the world s leading experts in their respective fields among them Paul Kennedy John Gaddis William McNeill and Immanuel Wallerstein **The Politics of Social Transformation in Afghanistan, Iran, and**

Pakistan Myron Weiner,Ali Banuazizi,1994-04 This volume comprises the work of some of the leading authorities in Southwest Asian and Middle Eastern studies concerning the state initiated interventions to restructure the socio political order in Afghanistan Iran and Pakistan Weiner and Banuazizi s detailed introduction describes the unprecedented changes

that followed the collapse of the old regimes Each coup and the resistance movement that followed tore the already fragile political and economic infrastructure of each country and nearly destroyed the social fabric of the population But the common thread according to the editors was the crucial role Islam played as a unifying element in these diverse movements The editors show how such changes have reshaped each country's alliance with the others and how the political future of all three governments is more intertwined today than at any other time in modern history The contributors focus on the profound transformations of this region particularly since the Communist coup in Afghanistan and the Islamic revolution in Iran in the late 1970s Chapters include material on the social composition and the ideological orientations of the governing elite and counter elite the politics of economic redistribution and social equity and state policies affecting the social economic and political status of women This book should be of interest to students and scholars of Middle East studies comparative politics and anthropology Afghan Communism and Soviet Intervention Henry St. Amant Bradsher,1999 Henry S Bradsher whose 1983 study of the Afghanistan situation was widely praised sheds new light on the entire period of Afghan Communism from its origins in the 1950s to the collapse of the Najibullah regime in 1992 Extensive interviewing a wide range of source materials and access to Soviet archives make this a comprehensive account **The Muslim World Book Review** ,1994

Slavic Review ,1994 American quarterly of Soviet and East European studies varies *Out of Bounds* Thomas A. Bruscino,2006 This authoritative official monograph uses two case studies to examine the role played by military sanctuaries as they relate to irregular warfare In the first of two case studies *Out of Bounds* looks at the United States efforts to counter the advantages gained by the Viet Cong and later the North Vietnamese Army with sanctuaries in Cambodia and Laos during the Vietnam War It uses this example to point out the diplomatic military and economic challenges that develop when attempting to prevent the use of transnational sanctuaries by irregular forces The second case study examines the Soviet incursion into Afghanistan in the 1980s but this time from the perspective of the Mujahideen insurgency This section of the book illustrates the advantages accrued by the Afghan resistance through the use of Pakistan as a sanctuary the Soviet efforts to neutralize those advantages and the Mujahideen's responses to overcome Soviet actions **The Gorbachev Bibliography, 1985-1991** Joseph L. Wieczynski,1996 Political Geography B. L. Sukhwal,Lilawati Sukhwal,1996 This reference work contains more than 15000 entries on political geography political science international studies social sciences military and strategic studies and ocean resources The materials have been collected from more than 270 journals and periodicals current geographical publications the American Geographical Society Research Catalog and bibliographies of various political geography books The available materials have been collected on political geography since 1945 while important materials from earlier periods have also been included The book also includes theses and dissertations that enhance its usefulness Russia and the USSR in the 20th Century David MacKenzie,Michael W. Curran,1997 This balanced text has been revised to reflect the dramatic changes that have occurred in the former Soviet Union and to give

students the context in which they can understand the roots of those changes Introduced by a discussion of Russian history just prior to the Revolution the text looks at the development of the Soviet Union goes beyond the political to reveal the complexity of social economic diplomatic and cultural forces that have shaped this country Two new chapters bring students up to date on the collapse of the Soviet Union and the legacy of Soviet Communism Highly praised Problems sections offer conflicting points of view among Soviet post Soviet and Western historians giving readers insight into the past and present debates in this changing nation
