The Ferris Wheel Poems:

The Ferris Wheel Anthony Stachurski,1995-01-01 The Ferris Wheel Jack Lupas,2013-02-28 These poems were written during the years when we were working hard and growing together Me in medicine and Judy becoming a wonderful painter Always inspired by our children and all our friends and family in our lives Most of the poems are actual events or dreams we had **Bermuda Ferris Wheel** Bryce Berkowitz,2022-10-06 Berkowitz s artful poems are stunningly moving Although there are moments of humor and complexity of tone the book is not irony stuffed but decidedly romantic reminding us of Joe Bolton s work Berkowitz s awareness of nature throughout Bermuda Ferris Wheel comes from a super focused attention to detail and texture indicating a self consciousness married to an awareness of everything that is other The author risks sentimentality in some of the family poems but is saved by the boldness of his emotional engagement with real people and real places Any self absorption that might overwhelm the poems is tempered by the artfulness of the descriptive writing the poet s strong sense of place the various manifold localities that serve as the poet s own flawed Eden redemptive and indicative of failure in equal parts It s a kind of higher power this presence that gives life to cities and landscapes and wraps the autobiographical elements of these poems in the glow of significance Maggie Anderson has written that the poems in Berkowitz s collection are shrewd fast paced and philosophically wise Bermuda Ferris Wheel is a book of journeying filled with sudden and rhythmic moments of moving around Berkowitz documents the places the streets the restaurants the trees with a passionate looking and the voice of these poems is that of a Hermes figure an agile messenger restless and seeking Beneath this story lies the spirit of addiction passed down from parent to child Honey you re just like me the mother says as the poet begins to take his place in that sad company Still there is an insistent joy here as the Ferris wheel of the title turns and turns in some sunny Bermuda of the heart Bryce Berkowitz has created a wild unforgettable ride a stunning debut

Views from a Ferris Wheel Robert Wallace,1965 **Ferris Wheel** Jessica Karizat,2020-07-18 Ferris Wheel is Jessica Ahmad Karizat s debut collection of poetry In these poems you will move from one level of life to the next by delving into themes of love loss peace and the intricate nature of identity This book follows the Ferris Wheel that exists within each relationship and within each of us the cyclical rise and fall of how we feel towards ourselves and towards the world around us

Mercury Retrograde Poems J P Mooney,2019-10-28 I m sitting on a rocky island gazing on the horizon of hopes and dreams Emptiness and resentment oozing from their seam In this moment my worries cease to exist Their envy magnified like particles projected through bifocals I wince as they whinge retreating inside my bubble of certainty Relieved and determined to live in peace I wrote this journal a book of poetry for you Let your eyes hang on every word Let my retrograde chaos bring tears and laughter that cleanse your soul Most importantly enjoy The Ferris Wheel Kiss A. Hensley,2016-10-30 I ve had a lot of unsuitable suitors Scratch that I m the unsuitable suitor and here s what I ve learned

The Life and Poetry of Ted Kooser Mary K. Stillwell,2020-04-01 Like a flash of lightning it came to him the unathletic

high school student Ted Kooser saw a future as a famous poet that promised everything glory immortality a bohemian lifestyle no more doing dishes no more cleaning his room and particularly important to the lonely teenager girls Unlike most kids with a sudden ambition Kooser winner of the Pulitzer Prize for Poetry and thirteenth poet laureate of the United States made good on his dream But glory was a long time coming and along the way Kooser lived the life that has made his poetry what it is as deeply grounded in family work and the natural world as it is attuned to the nuances of language Just as so much of Kooser's own writing weaves geography history and family stories into its measures so does this first critical biography consider the poet's work and life together his upbringing in Iowa his studies in Nebraska with poet Karl Shapiro as mentor his career in insurance his family life his bout with cancer and always his poetry Combining a fine appreciation of Kooser's work and life this book finally provides a fuller and more complex picture of a writer who perhaps more than any other has brought the Great Plains and the Midwest lived large and small into the poetry of our day **Ferris Wheel** Lilyth

Poetry, 2019-11-14 Some of Lilyth's poetry is about the failures of finding love nightclubbing having a daughter at 16 and the vision of a teenager who didn't really understand the behaviours of others After having an unpleasant first relationship from the age of 15 living in a village far from home and surrounded by teenage boys and toxic relations with others she was inspired to write about finding happiness and love but being too young to understand the true concept of love Asking Is it clingy is it paranoia is it real Reflecting on feelings of entrapment distance and ignorance reflected from certain characters who have been in and out of her life and loss of her grandfather who was like a father to her A poignant and moving collection of poetry guaranteed to evoke emotion An insight into the mind of a sensitive girl who has endured hardship and survived against all the odds *John Ashbery and English Poetry* Ben Hickman, 2012-03-07 A study of how we should read one of America's most important poets

View From the Top of the Ferris Wheel Saraeve Fermin, 2023-06-09 SaraEve Fermin's *View From the Top of the Ferris Wheel* takes you by the hand and dares you to examine the funhouse mirror to jump into the ball pit to ride all the way to the top and reach for the stars The poems in this collection leave no corner of her flawed mind unturned speaking on family dysfunction depression traumatic brain injury love and life that continues despite the odds Bold and unflinching Fermin leans into the wind and screams feral truth with an honesty that does not close its eyes Welcome to the carnival Enjoy the ride **Hope Is a Ferris Wheel** Robin Herrera, 2014-03-11 Ten year old Star Mackie

lives in a trailer park with her flaky mom and her melancholy older sister Winter whom Star idolizes Moving to a new town has made it difficult for Star to make friends when her classmates tease her because of where she lives and because of her layered blue hair But when Star starts a poetry club she develops a love of Emily Dickinson and through Dickinson's poetry learns some important lessons about herself and comes to terms with her hopes for the future With an unforgettable voice with a lot of heart *Hope Is a Ferris Wheel* is the story of a young girl who learns to accept her family and herself while trying to make sense of the world around her Praise for *Hope Is a Ferris Wheel* STARRED REVIEW Herrera's first novel is quite

accomplished with plenty of heart and humor especially apparent in the spelling assignments Star has to complete but refuses to turn in as she uses them as a sort of journal Star is a unique determined and loving child making the best of a bad situation readers cannot help but root for her School Library Journal starred review Well constructed thought provoking and appealing this first effort bodes well for the author s future Kirkus Reviews In her debut Herrera has created a delightful narrator with a memorable voice and surrounded her with a unique supporting cast Got fans of Joan Bauer in your neck of the woods Send them this way Booklist A tender and truthful novel that addresses stereotypes without promising easy answers or cookie cutter closure Publishers Weekly First time author Herrera telling the story from Star s point of view gives readers a front row seat to all the embarrassment and angst of Star s jumbled life and all of the triumphs Here s hoping we hear more from this author The Horn Book Magazine Star s contemplation through poetic metaphors and real life relationships of what really matters in her life is compelling Additionally the poetry angle offers food for thought for those just coming to understand the power and purpose of metaphor and Star s vocabulary assignments occasionally interspersed between chapters provide inspiration and entertainment for word lovers Bulletin of the Center for Children s Books

Writing Fiction and Poetry Sally Sullivan,1997-12 Our meddling intellect misshapes the beauteous forms of things we murder to dissect Wordsworth cautioned at the dawning of a new age of science and technology It is a caution that in addition to applying to the study of art and nature might also apply to our investigation of the creative process which has engaged the meddling minds of many OC the process involved in literary creation in particular has fascinated many ordinary people as well as a great many psychologists and philosophers from Plato onOC The variety of approach and style in Writing Fiction and Poetry extends also to gender and experience The book contains essays and interviews of 12 internationally known North Carolina writers For an author bio and photo reviews and a reading sample visit bosonbooks.com *The Great Wheel* Paul L. Mariani,1996 An anthology of thirty five poems shares the trope of the great wheel focusing on the wheel of fortune a ferris wheel Dante s paradisaal wheel and the wheel of the great tradition in relation to life experiences **Sunsets**

Oliver,2001-05 In a school atmosphere where faculty must of necessity adhere to rather strict rules of teaching the author was given the opportunity to work with a group of 50 students in a non traditional teaching environment The children were taught to write and appreciate poetry in an experimental setting with almost unbelievable results One newspaper reporter covering one of their meetings wrote Watching Lee Oliver coax words and smiles from the handful of young poets before him

is nearly as beautiful as the poems themselves The youngsters here produce verse that inspires reactions like they must have had help or I bet their parents wrote that until you watch them **The Ferris Wheel** Jesse Whipple,2017-12-15 We re all scientists replicating the same test indefinitely writes Jesse Rey Whipple in his collection of haiku Each poem tests the nature of love loss sorrow and insight and through the passage of seasons detailed in 3 line shards Whipple reveals the complex mosaic of his life The Ferris Wheel takes readers on a journey from experience to innocence and back again Joyce Peseroff author of The Hardness Scale Jesse Rey Whipple is an intelligent and perceptive writer but more important is that he seems to have overcome a great deal of hardship and pain Through the pages of this book it becomes apparent that he is still here transcending the darkness of the past and trying to find goodness and God My hope for him as for his readers and myself is that we continue to recover from our illnesses and are led toward health and wholeness and light Jesse s unabashed struggle to move into the light is palpable here and while his path may not always be straight I believe he s on his way Aaron Weiss songwriter of mewithoutYou This is the sort of book that takes shape and develops by being quantum entangled with the author s life It mirrors every dent each soft momentary curving detour every dark crevice and each gleaming victorious peak set against all the desolation and existential terror that our days and nights are plagued with and spent fleeing from by burying our heads in drink to avoid caving in and being swallowed by the gaping maw The poems presented here are snapshots that allow for an understanding of the lens through which a vivid spirit has been driven to view the world thereby allowing one unafraid of such vulnerability to actually experience a connection with an aspect of the Human Soul This collection contains 499 poems The Poetry of James Dickey John Philip Dacey,1967 **A Class-book of English Prose and Poetry** G.B. van Kampen,1886
