Saunders, 2022-01-25 Members of The Church of Jesus Christ of Latter day Saints tend to see the Book of Mormon through the lens of personal use as a single textual and scriptural monolith the Book of Mormon That is somewhat natural since we tend to have at hand and in use only the copy or version in our language needed to study it for inspiration In the process the point tends to get overlooked that while we may accept the text as inspired the physical embodiment of that text the Book of Mormon is a mortal reality The Book of Mormon while it has a spirit also has a mortal body or rather bodies existing in space and time As such it has a history and because it comes to us in the form of a book it also has a book history This study is divided into three parts The first part is a straightforward history of the edition s editing production and manufacturing processes It examines key points in the reprint history of the book following important factors in the subsequent impressions of the work across nearly thirty years of re impressions corrections transfers and one new format The narrative crowded into chapters one through four together leave Part II to catalogue the bibliographic minutia that is the beating heart of analytic book history and which provides entertainment for true blooded bibliophiles The details contained in the production and manufacturing contracts and coupled to the typographical evidence explained in Part III together resolve once and for all the question of what constitutes the 1920 edition and what does not **Bats, Balls & Bails** Les Scott, 2011-08-31 Never before has the whole world of cricket been collected in one really quite large volume Les Scott has collected a lifetime of anecdotes records quotes and cuttings to make The Essential Cricket Book With a century of sections detailing everything from balls and slips to pavilions umpires and teas all the Test playing nations first class counties as well as minor counties and clubs plus universities tournaments from the Ashes through the old John Player League to the Sheffield Shield not to mention the KFC Twenty20 Big Bash bizarre dismissals and of course LBWs all the great games and characters of cricket are brought to life It s all here the first player to wear a helmet the first man to attempt a reverse sweep the games when camels or mackerels stopped play the batsmen given out absent thought lost on the Tube and retired suffering from measles or simply the last England bowler to take a wicket with the first ball of a Test Match **The Latter-Day Saints' Millennial Star** ,1863 *The dictionary of English history, ed. by S.
