**Through the Fiery Furnace** David Maendel,2011-07-08 This is a

true life story of Gods preparation of a prophet for service in the last days Through trials and tribulation the Lord has refined this man of God built his faith and caused him to believe in everything that the Lord God is doing in his life as well as

everything that the Lord is going to do in the last days Many times in this mans life the enemy has come very close to destroying him The enemy at many times has come very close to stopping the work that was in progress This is a fascinating account of Gods intervention in this mans life at every turn Paul the apostle said the life I now live I do not live but Christ who is in me lives my life through me I phrased If this is true then this is also a story of how Christ lived through this man of God and prepared him for what he is yet to do This is a fascinating story of how God works in us and how the Holy Spirit prepares us and teaches us and instructs us in spite of lifes obstacles and hardship     *The Fiery Furnace* Daniel F.

Owsley,2013-04-22 Dare to let your imagination soar as you go deeply into the very shocking time when Daniel s friend s Sadrach Meshack and Abednego would briefly be lamened by that prophet of the lion s den For they had enough nerve to say no to bowing down to Nebuchadnezzar s statue refusing to worship it No doubt Daniel shed several tears since they would be placed in the deadly path of some real foul jeopardy aflame with merciless injustice in spite of their upright motives to maintain their personal integrity But Daniel didn t foresee that one like the Son of Man would bring them out safely Nor did Daniel even know the nameless fourth man since that pre exesistent Jesus Yeshua Ha Meshia had not yet been born into human flesh Then it became an unexpected season when the Lord would swiftly go on the defense to move some huge mountains of impossibilities that no mere mortal ever thought was possible It would additionally become a joyful moment when the spirit of death would be mocked and the supernatural period when the works of Satan would even be effortlessly cast down much lower than the lowest snake that ever slinked around on it s belly Thus events as such were certain to be told and retold for countless aeons to follow And the thoughts of the outstanding presence of our Father of Many Distant Lights would therefore be burned deeply into the imaginations of all of His faithful few for the rest of unending time And the forthcoming wonders of God s most wonderful miracles would soon be blazing away with such blinding glory that absolutely no fires of hatred could ever burn so bright And the victorious moment of faith upheld would then be indelibly burned into the pages of history for all of the following generations to see through open eyes that would be dazzled by things seen and unseen     *Before I Formed Thee* John Glass, Before I Formed Thee is a story of miracles dreams and visions     **Bible**
