## **The First Of Holidays:**

**The First Christmas** Christopher Berry,2015-10-27 Do you know what Christmas truly is You re about to find out It s Christmas Eve and George and Georgina are curious about the true meaning of Christmas What is it Why do we celebrate it And why do we give and receive presents So Granny tells them her final story A long time ago Mary Maz and Chris three sisters from West Pudding climbed the Sky Tree and encountered the Lady of the Skies a magical creature harbouring a sad secret Her secret led the sisters to discover a forgotten village of the other side of the woods A village that was poor starving and suffering A village called East Pudding The East Pudding Chronicles The First Christmas is the fifth and final book in The East Pudding Chronicles series Join George and Georgina one last time and discover the biggest Christmas secret yet

**The First Christmas** Stephen Mitchell,2021-11-09 I love The First Christmas What a charming way Stephen Mitchell has found to tell my favorite story of all the Nativity character by character I love the donkey and the ox with wise and thrilling interludes about God reality truth Anne Lamott In The First Christmas Stephen Mitchell brings the Nativity story to vivid life as never before A narrative that is only sketched out in two Gospels becomes fully realized here with nuanced characters and a setting that reflects the culture of the time Mitchell has suffused the birth of Jesus with a sense of beauty that will delight and astonish readers In this version we see the world through the eyes of a Whitmanesque ox and a visionary donkey starry eyed shepherds and Zen like wise men each of them providing a unique perspective on a scene that is in Western culture the central symbol for good tidings of great joy Rather than superimposing later Christian concepts onto the Annunciation and Nativity scenes he imagines Mary and Joseph experiencing the angelic message as a young Jewish woman and man living in the year 4 bce might have experienced it with terror dismay and ultimate acceptance In this context their yes becomes an act of great moral courage Readers of every background will be enchanted by this startlingly beautiful reimagining of the Christmas tale *The Christmas Encyclopedia, 4th ed.* William D.
