## **The Feminine:**

The Feminine Subject in Children's Literature Christine Wilkie-Stibbs,2013-12-16 This book builds upon and contributes to the growing academic interest in feminism within the field of children's literature studies Christie Wilkie Stibbs draws upon the work of Luce Irigaray Helene Cixous Julia Kristeva and Jacques Lacan in her analysis of particular children's literature texts to demonstrate how a feminist analysis opens up textual possibilities that may be applied to works of children's fiction in general extending the range of textual engagements in children's literature through the application of a new poststructural critical apparatus

**The Feminine Ideal** Marianne Thesander,1997 Why at a time when women's liberation was gaining force and momentum did the corset become more cinched and restricting than at any time during the entire preceding century Why was bra burning a political statement for the feminists of the 1970s How far is the harnessed and restricted female form an outward symbol of Victorian and middle class ideas of discipline and self control In what ways are women forced to conform to a feminine ideal In *The Feminine Ideal* Marianne Thesander examines the significance of the female body beauty and culture She shows how the female body is constantly being changed and by various sometimes punishing means made to fit in with current feminine physical ideals The use of corsets bras make up cosmetics and body decoration either emphasizes or plays down specific aspects of the female form Marianne Thesander considers sin and virtue the forbidden the concealed the alluring body woman as object fetish and erotic sign With extensive use of illustrative material she examines the fashion history of underwear from the eighteenth century to the present day exploring the significance of changing models of the feminine
