The Journey of the Anointed One Theodore J. Nottingham, 2011-09-28 The journey of Jesus of Nazareth called the Christ or the Anointed One is the template for every human being in search of reconnection with their spiritual origins and identity He is known as the first fruit of many and the stages of his spiritual journey along with his teachings trace the path the Way for each human being of every century and culture toward their true destiny encounter with the living Presence which transforms us into partakers of the Divine Nature This book is divided into two sections PART 1 The Journey PART 2 The Fruits of the Journey Included are some of the following themes Wilderness The Invitation The Core Teachings Becoming Disciples Rebirth Meister Eckhart and the Birth Within The Dark Night of the Soul Lost Teachings of Ancient Christianity The Individual and the Community Learning to Forgive A Kingdom of the Truth or Deception? David K. Hebert Th.D., 2024-12-18 This book has been the culmination of over forty years of study on the concept of defending the Christian faith against false religions and cults that oppose that faith by exposing them Since 2007 the study took on a more academic researched scholarly tone while writing one chapter in the doctoral work It was during that time frame that studying the false religions and cults took on a more focused biblical historical and Christian orthodox direction So the foundation of this book uses the Parable of the Wheat and the Weeds Tares in Matthew 13 24 30 36 43 and a clear understanding of the core orthodox Christian beliefs as the standard for Christians to compare the kingdom of God versus the kingdom of darkness and God's truth versus Satan's lies error throughout biblical history from the Garden of Eden to the present day especially as the day of Jesus Christ's return so rapidly approaches **Anthology of the Biblical Revolution Evolution Series** Michael Stansfield, 2020-02-13 As primitive civilization developed society has established cornerstones in our thought and reasoning Things we are told repeatedly as fact from birth and are thus believed instinctively Many of these cornerstones now date back many millennia such as the Bible The BER Series takes a candid look into the Bible to explore how the theological beliefs within Institutional Religion have affected society in diabolical ways These books also challenge the church's theological cornerstones to prove that they deviate from the Bible and truly have an obscured understanding of the Divine Thus the goal is to bring an overdue debate to organized religion The hope is to remove the barriers that deny humanity the evolution of our species No topic is out of bounds A person could listen to ten lifetimes of sermons and never get even a fraction of the candor of these books Love them or hate them you will be unable to put them down and you will never see the World or the Divine the same way again **God's EPIC Adventure** Winn Griffin, 2007-10 Griffin uses Bishop Tom Wright's five act play model as a way of presenting Scripture as a full length story in order to assist the reader in a better reading experience of the text Christian The Non-Prophet's Guide to the Bible Todd Hampson, 2022-01-04 A Big Picture Look at a Book Like No Other The world's all time bestseller the Bible is truly unique an ancient collection of 66 separate books written across 1 500 years that fits together like a perfectly crafted puzzle It proclaims itself to be the Word of God and supports this

**Here and Now** Robby Gallaty,2019-02-15 *The Christian life* was so much more than just a one time decision to secure a place in heaven What if you could experience heaven on earth today Not flying angels singing on clouds but the fulfilled abundant life Jesus promised in the Bible a life that regardless of your circumstances or your present context experiences joy happiness and peace that is difficult to encapsulate in human terms What if heaven was available to us today Pastor and author Robby Gallaty thinks it is We have been taught that salvation is getting man out of earth to live in heaven when the Bible teaches that God desires to bring heaven to earth through man In *Here and Now* readers will journey together to uncover the nucleus of Jesus messages which says the opposite Jesus spoke about the Kingdom of Heaven and the Kingdom of God both are synonymous as we will see more than any other topic No other concept is even close
