**Redeeming the Screens** Jeanne C. DeFazio,William David Spencer,2016-05-03 How does the future look to us Well clearly we realize we now live in a world of screens from the microcosmic universe of to smartphone to the imposing vigil of the multiplex giants looming over us in Imax and 3 D more real than real and to all the screens in between from computers to iPads to muted high definition flat screens pouring out images in homes restaurants banks businesses schools doctors offices and hospitals and on and on everywhere we turn We cannot change this reality so what these Christians and so many like them are doing is trying to find ways to redeem what we put on these screens what message we are sending out in word and image to the watching world So clearly our task whether we have been called to create or not is to join these artists as screen redeemers assisting the Holy Spirit in reconciling the world to God 2 Cor 5 18 19 through helping the pervasively influential

means of the media adjust its goals to the mission of Jesus Christ     **Gathering Stones** Sara W. Berry,2021-11-02 A forty day devotional that calls Christians to remember who God is what He has promised what He has instructed and what He has done There were many times in the Bible when believers gathered stones as reminders of the great truths of God s power and grace Remembering these truths is a conscious act an effort that provides great reward for one s soul Deuteronomy 4 9 NLT says But watch out Be careful never to forget what you yourself have seen Do not let these memories escape from your mind as long as you live And be sure to pass them on to your children and grandchildren Follow the journey of Sara W Berry as she shares some of her own stones of remembrance stories and inspires readers to see the miracles of God wrapped up in ordinary life Gathering Stones is the perfect devotional for any need of spiritual inspiration It encourages readers to collect their own stones of remembrance as they see Him more clearly in everyday life
