The Hunt For Rudy Sellers:

The Hunt for Rudy Sellers George Ascher, 2001-07 C I A agent Rudy Sellers thought that he had it all after all he was their elite agent He decided to set up his own empire The president of The United States gave the order to bring him in However there is only one man that can track him down **Clandestine** J. Robert Janes, 2015-07-21 A hijacked delivery vehicle draws St Cyr and Kohler back to the killing fields of World War I The last time Jean Louis St Cyr visited the ruins of this ancient abbey during one of the bloodiest campaigns of the Great War a sniper nearly killed him Three decades later death has brought him here again Ever since the German occupation of France the chief inspector has worked alongside German detective inspector Hermann Kohler solving crimes too common to pique the Gestapo's interest Now during the fall of 1943 the war is going badly for the Third Reich but conflicts continue to plague these two unlikely allies A bank owned cargo van is parked near the crumbling monastery its contents ransacked its passengers murdered The killers took small bills but left behind a bounty in smuggled champagne cheese and coffee Even more confounding is the expensive pair of high heels left behind Were the thieves from the Resistance or from the underworld Who is the mysterious woman who was wearing those shoes St Cyr and Kohler have a feeling that the answers are hiding in the cold French rain **Something in the Water** William Bear, 2025-08-23 What happens when power and greed meet punk and disorderly Jake and Tommy were coasting through life on cruise control Wake up Get high Survive Rinse and repeat But then she called Jake thought Nikki Voss was done using him Tommy thought he was an idiot for answering her call Nikki thought she could make a fortune and walk away clean The plan was simple steal a briefcase full of cash from her millionaire father real estate developer Gideon Voss But when Jake and Tommy make it out with more than just the money things spiral out of control fast They're not just holding a briefcase with two million in cash meant to grease the wheels of a shady land deal in the San Jacinto foothills Buried in that briefcase is the truth A conspiracy that ties together the land dirty money murder and water nobody should be drinking Now they've got a target on their backs A fixer with a badge and no conscience wants them erased A powerful developer wants his property back and he's sent his son to find it and kill the ones responsible A county supervisor needs the whole thing kept quiet And Nikki who's been playing her own angle since the start And that's just the ones they know about Jake still thinks she can change Tommy just wants to be more than Jake's sidekick And both of them are about to find out what they're really worth For fans of punk rock bad decisions and crime stories that bleed real Set in 1992 in the sweat stained heart of the Inland Empire **Something in the Water** is a dirty fast and painfully human crime thriller about friendship betrayal redemption and why it's okay that some people just can't outrun who they are If you ever Remained friends with someone you shouldn't have Cut ties with someone you shouldn't have Stayed too long with the wrong person Thought you had it all under control but didn't Had an experience with bad decisions Lived on the edge of a society that pretends you don't exist Wondered what two young Gen X burnouts would do if they stumbled onto a conspiracy that could bury them this one
