Skin Deep Steps Towards Great Skin:

More Than Skin Deep Crystal Kirgiss, 2011-07-26 You can probably think of a lot of things in your life that you'd like to celebrate but your skin. Most teenage girls can point to a couple things about their skin that they're unhappy with and certainly wouldn't want to celebrate. That's because the world around you has convinced you that your physical skin is what's most important. But it goes so much deeper than that. In *Celebrate the Skin* You're In you'll find out what it means to celebrate, accept love and care for the skin that really matters, the skin that holds together all your invisible pieces like your passions, thoughts, identity, ideas, dreams, beliefs, fears, and more. Crystal Kirgiss will help you see that God not only created you but that God also understands you. Every teenage girl deals with some degree of insecurity, fear, and overwhelming emotions, whether it's about their physical skin or just life in general. You're not alone. And if you and your friends can find the reasons to embrace who you are on the inside, think of the celebration you could have.

Skin Deep Gen Ryan, Attracted to a woman he shouldn't be all because of the color of her skin. Sheriff Christopher Weatherby is conflicted, unsure of what to do with the passion that is building inside him. It is his job to help Lillian Pearl Porter solve her parents' murder, but as the truth starts unraveling, it seems secrets are around every corner, all involving the woman he finds himself drawn to. When Lilly returns to her parents' hometown after their deaths, she is met with racism, discrimination, and secrets that surround the small town of Kittrell, North Carolina. Determination flows through Lilly as she ventures on, fighting against the walls of segregation. She finds herself falling for a man who is forbidden, a love so strong that it pushes against the laws. Will Lilly and Christopher be able to control their love, or will their attraction end just like Lilly's parents in death?
