C. MacApp, 1972 Jeff Adams stared northward From this spot he could just make out the scarlet glow along the top of the Barrier though he couldn't see the land along the base This side for two hundred miles to the east and to the west was fallow country loose parched soil except when the infrequent rains barely moistened it and caked the top too sandy to support any terran plant life Only a few hundred yards north of the barrier the green fields began You could lean against the barrier and stare through the invisible impenetrable force field wouldn't hurt you even if you hurled yourself against it A Bumsider could dream of being inside and wonder what crime or deficiency had got his ancestors exiled to Bumsider but not for long in Bumsider you had to keep moving to keep eating Back cover The Other Serious Christy Wampole, 2015-07-07 An original collection of incandescent cultural criticism both experimental and personal full of pragmatic advice for how to live a considered joyful existence in our era of screen living and hipster irony by a Gen X Princeton professor and contributor to The New York Times The essays in *The Other Serious* examine the signature phenomena of our moment the way our lives contradict themselves how exaggeration and excess seep into our collective subconscious why gender is becoming more rather than less complicated and how we interact with the material things that surround us It is a book about the delicacy and bluntness of American life about how pop culture sticks its finger deeply into the ethical dilemmas of our time and how to negotiate between the old and the new the high and the low the global and the local the sacred and the profane At the heart of these reflections lies a central question What should you do when you don't know what to do Taken together these essays comprise a guide for the overhaul of the administrativersity of contemporary American life a bureaucratic prison where the brain needn't work anymore These pieces investigate the writer's own way of thinking putting forth new ideas questioning them and urging the reader to adopt the same spirit of critical reexamination Insurance, 1897 **LIFE**, 1945-09-24 LIFE Magazine is the treasured photographic magazine that chronicled the 20th
