Slavery In The Circuit Of Sugar Martinique And The World Economy 1830 1848:

Slavery in the Circuit of Sugar, Second Edition Dale W. Tomich, 2016-02-22 Traces the historical development of slave labor and plantation agriculture in nineteenth century Martinique A classic text long out of print Slavery in the Circuit of Sugar traces the historical development of slave labor and plantation agriculture in Martinique during the period immediately preceding slave emancipation in 1848 Interpreting these events against the broader background of the world economy Dale W Tomich analyzes the importance of topics such as British hegemony in the nineteenth century related developments of the French economy and competition from European beet sugar producers He shows how slaves adaptation and resistance to changing working conditions transformed the plantation labor regime and the very character of slavery itself Based on archival sources in France and Martinique Slavery in the Circuit of Sugar offers a vivid reconstruction of the complex and contradictory interrelations among the world market the material processes of sugar production and the social relations of slavery In this second edition Tomich includes a new introduction in which he offers an explicit discussion of the methodological and theoretical issues entailed in developing and extending the world systems perspective and clarifies the importance of the approach for the study of particular histories **The Age of Revolutions in Global Context, c.**

1760-1840 David Armitage, Sanjay Subrahmanyam, 2009-12-18 A distinguished international team of historians examines the dynamics of global and regional change in the late eighteenth and nineteenth centuries Providing uniquely broad coverage encompassing North and South America the Caribbean Europe Africa the Middle East South and Southeast Asia and China the chapters shed new light on this pivotal period of world history Offering fresh perspectives on The American French and Haitian Revolutions The break up of the Iberian empires The Napoleonic Wars The volume also presents ground breaking treatments of world history from an African perspective of South Asia s age of revolutions and of stability and instability in China The first truly global account of the causes and consequences of the transformative Age of Revolutions this collection presents a strikingly novel and comprehensive view of the revolutionary era as well as rich examples of global history in practice Slaves, Freedmen and Indentured Laborers in Colonial Mauritius Richard B. Allen, 1999-10-14 In this wide

ranging social and economic history of the island of Mauritius from French colonization in 1721 to the beginnings of modern political life in the colony in the mid 1930s Richard Allen brings out the importance of domestic capital formation particularly in the sugar industry He describes the changing relationship between different elements in the society slave free and maroon and East Indian indentured populations and shows how these were conditioned by demographic changes world markets and local institutions Based on thorough archival research and thoroughly attuned to contemporary debates this 1999 book will bring the Mauritian case to the attention of scholars engaged in the comparative study of slavery and plantation systems

From Slavery to Freedom Seymour Drescher, 1999-05-17 The entries in this volume focus upon the rise and fall of the Atlantic slave system in comparative perspective The subjects range from the rise of the slave trade in early modern Europe

to a comparison of slave trade and the Holocaust of the twentieth century dealing with both the history and historiography of slavery and abolition They include essays on British French Dutch and Brazilian abolition as well as essays on the historiography of slavery and abolition since the publication of Eric Williams s *Capitalism and Slavery* more than fifty years ago

From Chattel Slaves to Wage Slaves Mary Turner,1995 a very welcome addition to the literature on labour history Labour History Review This is a valuable collection of essays which gives fresh perspectives and interesting empirical data on the modes of labor bargaining by New World slaves and on the transition from chattel to wage slavery New West Indian Guide Nieuwe West Indische Gids Of uniformly high quality these essays underline the fluidity and dynamic of bargaining processes the diversity of political and economic contexts and the importance of external factors will provoke discussion on parallels between capitalist agriculture and capitalist industrial organization and will fuel debates on slave as proletarian and on the notions of peasant breach and the two economies Choice These essays provide important answers to questions relating to levels of slave subsistence the material conditions of the enslaved the control mechanisms of owners the contexts which generated labor bargaining on the part of the enslaved and the reasons owners employers acquiesced to laborers demands rather than rely on the coercive power of the whip Labor History The contributors deserve commendation for making salutary advances towards developing an integrated analysis of the history of labouring people in slavery and freedom that transcends the particularities of their legal status Slavery Abolition this collection addresses an important topic and will serve as a valuable resource for scholars and students of comparative slavery in the Americas Judy Bieber University of New Mexico Albuquerque The status of labor during slavery and post emancipation in the Caribbean and the Americas Contributors investigate the terms under which slaves in the Caribbean the Southern States and Latin America worked and how they struggled to establish informal contract terms

Katoen Sven Beckert,2016-09-12 Welke goederen drijven de wereldgeschiedenis Suiker was de spil van de achttiende eeuw terwijl de economie van de twintigste en eenentwintigste eeuw grotendeels lijkt te worden gestuurd door olie In zijn belangrijke nieuwe boek Katoen de opkomst van de moderne wereldeconomie stelt historicus Sven Beckert in een even uitgebreide als kleurrijke geschiedschrijving dat katoen de drijvende kracht achter de industriële revolutie van de negentiende eeuw is geweest De welvaart in de katoenindustrie hing nauw samen met de opkomst van het moderne kapitalisme De grote winst die

met deze grondstof te behalen viel zorgde voor een continue strijd tussen slaven planters handelslieden politici arbeiders en fabrikanten De handel zorgde voor grote welvaartsgroei maar ook voor stuitende economische ongelijkheid Zo kreeg het kapitalisme door de katoenindustrie in zeer korte periode een heel ander gezicht Sven Beckert laat op briljante en caleidoscopische wijze zien hoe tekenend deze omwenteling is geweest voor de wereld waarin we nu leven From slave to quasi-slave Alejandro F. Paula,1992

The Routledge History of American Foodways Michael D. Wise,Jennifer Jensen Wallach,2016-02-12 The Routledge History of American Foodways provides an important overview of the main themes surrounding the history of food in the Americas from the pre colonial era to the present day By broadly incorporating the latest food studies research the book explores the major advances that have taken place in the past few decades in this crucial field The volume is composed of four parts The first part explores the significant developments in US food history in one of five time periods to situate the topical and thematic chapters to follow The second part examines the key ingredients in the American diet throughout time allowing authors to analyze many of these foods as items that originated in or dramatically impacted the Americas as a whole and not just the United States The third part focuses on how these ingredients have been transformed into foods identified with the American diet and on how Americans have produced and presented these foods over the last four centuries The final section explores how food practices are a means of embodying ideas about identity showing how food choices preferences and stereotypes have been used to create and maintain ideas of difference Including essays on all the key topics and issues The Routledge History of American Foodways comprises work from a leading group of scholars and presents a comprehensive survey of the current state of the field It will be essential reading for all those interested in the history of food in American culture

Troubling Freedom Natasha Lightfoot,2015-11-19 In 1834 Antigua became the only British colony in the Caribbean to move directly from slavery to full emancipation Immediate freedom however did not live up to its promise as it did not guarantee any level of stability or autonomy and the implementation of new forms of coercion and control made it in many ways indistinguishable from slavery In Troubling Freedom Natasha Lightfoot tells the story of how Antigua s newly freed black working people struggled to realize freedom in their everyday lives prior to and in the decades following emancipation She presents freedpeople s efforts to form an efficient workforce acquire property secure housing worship and build independent communities in response to elite prescriptions for acceptable behavior and oppression Despite its continued efforts Antigua s black population failed to convince whites that its members were worthy of full economic and political inclusion By highlighting the diverse ways freedpeople defined and created freedom through quotidian acts of survival and occasional uprisings Lightfoot complicates conceptions of freedom and the general narrative that landlessness was the primary constraint for newly emancipated slaves in the Caribbean

Engerman, 1998 Eminent scholars provide an overview of what we now know about slavery as an institution and way of life in cultures around the globe from ancient times to the present day Drawing on the virtual explosion of empirical research and theoretical discussion of the subject over the past thirty years many of the articles overturn conventional wisdom and illuminate little known aspects of the subject with essays on topics such as concubinage eunuchs and occupational mobility Plantation Jamaica, 1750-1850 B. W. Higman, 2005 Plantation Jamaica analyses the important but neglected role of the attorneys who managed estates chiefly for absentee proprietors and assesses their efficiency and impact on Jamaica during slavery and freedom Meticulous research based on a variety of sources including the attorneys letters plantation papers and slave registration records provides rich quantitative and literary data describing the attorneys role status range of activities and demographic characteristics Higman charts both the extent of absentee ownership and the complex structure of the managerial hierarchy that stretched across the Atlantic Detailed case studies compare the attorney Simon Taylor's management of Golden Grove Estate in the decade before the American Revolution and Isaac Jackson's control of Montpelier in the years immediately following the abolition of slavery These examples provide a wealth of information about plantation life and labour technology trade investments and profits Higman also makes a unique contribution by investigating and describing several topics previously neglected including the postal service the history of accounting and the role of attorneys in the British I *Handbook of Latin American Studies*, 1995 World Sugar History Newsletter, 1982 Papers of the ...
