## **Slender Thread:**

**The Whispers Know My Name** Margaret A. Renner Ph. D.,2012-10 From her early childhood episodes to her most recent encounters she depicts how the Whispers have provided inspiration insight strength and courage as she attempts to shape her existence The text provides not only a step by step process but memoirs that allow the process and application to unfold as historic events The author s purpose is to leave a legacy of wonder about how these historic events establish maintain and sustain an on going dialectic which ultimately determines one s destiny This text is the completion of a trilogy The author revisits the substance of the dialectic in the prior texts so there is no need to have read those texts to follow the process events and outcomes depicted in the text The Whispers were introduced in the first text Called by Many Names The nature of the conversation involves mental discourse listening reflection and contemplation For many her relationship with the Whispers may appear to be unique but what makes this text unique is the way and means used by the author to present her experiences She glides effortlessly through the literary elements and genre styles as she captures one s interest

**Fraser's Magazine** ,1873    **No One Knows When It's a Good Day** Thomas Starnes,2014-09-26 To call this simply a book of sermons does not do it justice They are sermons preached over a thirty five year period to differing congregations but they are also lessons on life and living Biblically based to be sure but the scriptures are filtered through a mind steeped in the classics open to what s going on in the world and not afraid to raise questions that challenge the very faith that is being preached Although Rev Starnes is known for his preaching skills he is primarily a writer who as someone says knows how to string words together A note worthy comment made when considering his book is what one said He writes for the ear

Anderson,2019-08-17 An advanced human race has finally ended their civilization A machine race was created by the scientific community to pick up the pieces Repopulated after 900 years the machine would have to live with the men and women of a new world Optimism leads to a true rebirth Unfortunately people are people and after several generations the robotic race is found to be hated and easy to discard Hunted the bots find a way to get off planet and search for a new life of service A Dora interstellar trader accepts the challenge to find a situation that will allow life even robotic life to survive

**Sidney Poitier** Aram Goudsouzian,2011-01-20 In the first full biography of actor Sidney Poitier Aram Goudsouzian analyzes the life and career of a Hollywood legend from his childhood in the Bahamas to his 2002 Oscar for lifetime achievement Poitier is a gifted actor a great American success story an intriguing personality and a political symbol his life and career illuminate America s racial history In such films as Lilies of the Field In the Heat of the Night and Guess Who s Coming to Dinner Poitier s middle class mannered virtuous screen persona contradicted prevailing film stereotypes of blacks

as half wits comic servants or oversexed threats His screen image and public support of nonviolent integration assuaged the fears of a broad political center and by 1968 Poitier was voted America s favorite movie star Through careful readings of every Poitier film Goudsouzian shows that Poitier s characters often made sacrifices for the good of whites and rarely displayed sexuality As the only black leading man during the civil rights era Poitier chose roles and public positions that negotiated the struggle for dignity By 1970 times had changed and Poitier was the target of a backlash from film critics and black radicals as the new heroes of blaxploitation movies reversed the Poitier model In the 1970s Poitier shifted his considerable talents toward directing starring in and producing popular movies that employed many African Americans both on and off screen After a long hiatus he returned to starring roles in the late 1980s More recently the film industry has reappraised his career and Poitier has received numerous honors recognizing his multi faceted work for black equality in Hollywood As this biography affirms Poitier remains one of American popular culture s foremost symbols of the possibilities for and limits of racial equality
