*Rummaging the teachings of Jetsun Milarepa : From a ruthless murderer to an enlightened master*

Shriprakash Sinha,2025-08-14 To begin with i had read about Milarepa in Tibet s Great Yogi Milarepa by W Y Evans Wentz in the period between 2004 to 2008 At that time i had just started reading and searching for what the enlightened masters had shared At some point in life one starts searching for the truths of life and this is very common However from the 2014 onwards as i have lived a life of a reclusive Buddhist monk while practicing anapana and vipassana meditations some experiences and realisations have happened in awareness Picking up from those realisations and insights over a period of 11 years now i chose to write about the teaching of Jetsun Milarepa May be it is not my will but grace of the absolute truth and Jetsun Milarepa himself that has guided me to write this book In this work what comes to my limited awareness and grasp i share about the teachings Jetsun Milarepa Here i share what limited insights i have acquired through meditations and relate it with some of my own negligible research work and also where necessary i quote the teachings of the Shakyamuni Buddha which are available in Pali Further what i do here is try to present the essence from the instances of life of Milarepa and where necessary excerpts from the two books are quoted to fill in the context My limited grasp as well as where i think it is necessary to stress what Milarepa is sharing is in **SMALL CAPITAL LETTERS FONT** Further i have marked the points in the teachings of Marpa and Milarepa with **BOLD FONT** which might be of value Haste slowly and ye shall soon arrive Jetsun Milarepa
