Slates Field Guide To The Candidates:

Functioneel webdesign J. Nielsen, 2000 A Field Guide to White Supremacy Kathleen Belew, Ramon A.

Gutierrez, 2021-10-26 It is not a matter of argument among the vast majority of scholars but of demonstrable fact White supremacy includes both individual prejudice and for instance the long history of the disproportionate incarceration of people of color It describes a legal system still predisposed towards racial inequality even when judge counsel and jurors abjure racism at the individual level It is collective and individual It is old and immediate Some white supremacists turn to violence but there are also a lot of people who are individually white supremacist some openly so and reject violence This Field Guide proposes that a better understanding of hate groups white supremacy and the ways that racism and patriarchy have braided into our laws and systems can help people to tell and understand better stories **Party People** Allan Sikk, Philipp

Köker, 2023-10-15 Political parties are nothing without their people and candidates are essential to parties core functions contesting elections filling political offices and shaping policy Candidates are the literal face of parties yet they are not wedded to them permanently candidates can enter or leave politics switch parties move along or stay behind when parties split or merge Even in parties that look stable candidate change happens below the surface ultimately altering what the parties stand for Inspired by evolutionary theories Party People Candidates and Party Evolution conceptualizes candidates as party genes and develops a candidate based approach to party evolution Tracking candidates between elections and parties opens up new perspectives on party development in complex and dynamic settings in Central and Eastern Europe CEE and beyond Based on a new database of 200 000 electoral candidates from over 60 elections across nine CEE democracies this book presents a groundbreaking study of party evolution using candidate change as an indicator of party change Allan Sikk and Philipp Köker offer a series of methodological and conceptual advances for the measurement of candidate turnover party fission and fusion programmatic change and party leadership change the resulting analyses make a significant contribution to the study of CEE party politics as well as to the general scholarship on elections parties and political change Comparative Politics is a series for researchers teachers and students of political science that deals with contemporary government and politics Global in scope books in the series are characterized by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.ecprnet.eu The series is edited by Nicole Bolleyer Chair of Comparative Political Science Geschwister Scholl Institut LMU Munich and Jonathan Slapin Professor of Political Institutions and European Politics Department of Political Science University of Zurich **Encyclopedia of U.S. campaigns, elections, and electoral behavior** Kenneth F.
