Sleep Eazzzi

E. Timothy Lightfield Ph.D.

Sleep Eazzzi:

Roping Pandora's Box Daphne Bronwyn, 2006-03-01 Interior designer Madison Harper is positive she has her life under control. Her career is flourishing, her social calendar is full and each night she falls asleep in her Brentwood condo overlooking the Los Angeles skyline. Her life is a far cry from the mercurial years she spent on her grandfather's ranch. Unfortunately, her predictable life is knocked off balance when her friend Beth requests Madison's help. What else can Madison do but return to the one place she swore never to set foot in again: Montana. Now Madison's days are filled with a massive renovation project; her dreams are haunted by the past and her future happiness depends on taking a risk with sexy Ryder Templeton. The catch: after a childhood absent a mother and a bitter broken engagement, Ryder prefers his life without the emotional dependency of relationships. Madison's only chance is to convince Ryder that faith in others is worth the gamble, even if it means confronting her own dark past.

A Crooked College E. Timothy Lightfield Ph.D., 2018-11-01

The college president is found dead in his office after a turbulent board meeting. *A Crooked College* reflects life in a fictitious New Jersey community college, weaving together imaginative portrayals of crooked behaviors, chaos, and confusion while interspersing humor and empathy. The overarching narrative provides descriptions of 1970s culture, creating a truly authentic and insightful depiction of higher education. Was the president's death from natural causes, an accident, suicide, or murder? If murder, who did it and why? What unscrupulous actions and foul play by various faculty, staff, and trustees will be uncovered as motives? Follow the sheriff as he completes his criminal investigation and pathological analyses. Then follow the coroner at the suspenseful inquest where he calls witnesses to testify, unraveling crooked practices and arriving at the surprising truth to the president's death.
