*Safeword* Candace Blevins, 2014-06-27 The wedding is four months away and Ethan has promised to train Sam to handle a planned honeymoon activity. He's calculated the math to figure out her goals each week. When she reaches the weekly target, she gets a massage and lots of fun orgasms. But if she doesn't hit it, it's the stainless steel cane. All this along with navigating her clients' drama, planning a wedding, dealing with her mother while planning the wedding, and having lots and lots of wild and kinky sex. And we haven't even mentioned the bachelorette party. Warning: This title contains graphic language.

**Safe Word** Teresa Mummert, 2013-05-13 When Colton Bishop enters a bar in New York City, he has a plan. His job is to find an easy target and take her back to his place for a few days. He is working his way up the crime ladder, doing a job he never wanted. Lily Hilton has it all but is hiding from a troublesome past. When she enters a bar downtown and runs into her old high school crush, her entire world is turned upside down. She is determined to make him notice her, but that plan may work better than she expects. Colton does not hesitate to take Lily home and use her as his new pawn, but their past begins to catch up with them as their secrets unravel and he must decide what is more important to him: protecting Lily or himself.

**Safeword** Candace Blevins, 2014-02-22 Matte, pronounced mah tay, is the word used in some forms of martial arts to stop a fight. It's the Japanese word for stop or wait. Sam, short for Samantha, has made a hobby out of learning the various fighting disciplines, but she also happens to be a sexual submissive. What better safeword than matte? Sam wants to find someone to submit to who she can't beat in a fight. She's tried to make it work with men from the scene who know nothing about fighting, but it doesn't feel real to her; she needs someone who can truly control her. However, after dating from the fight scene and discovering not all guys like to spank their girlfriends, she's decided to just back away from the whole dating thing for a while until Fate decides to step in. *Innovative Skills to Support Well-being and Resiliency in Youth* Nicole Nicotera, Julie Anne Laser-Maira, 2017 This title emphasizes the step-by-step procedures readers will need to implement evidence-based innovative techniques and skills that emphasize well-being and resilience in youth. The strategies are specifically chosen to capture and hold the interest of youth who are often reticent to counselling. Furthermore, the skills-based approach of the book aims to demystify what one actually does in session with youth by moving away from the vagueness of talk therapy when youth have nothing to say and toward sessions that engage youth in action, stimulating communication and change.

*The Routledge Handbook of Fiction and Belief* Alison James, Akihiro Kubo, Françoise Lavocat, 2023-12-22 The Routledge Handbook of Fiction and Belief offers a fresh reevaluation of the relationship between fiction and belief, surveying key debates and perspectives from a range of disciplines, including narrative and cultural studies, science, religion, and politics. This volume draws on global cutting-edge research and theory to investigate the historically

variable understandings of fictionality and allows readers to grasp the role of fictions in our understanding of the world. This interdisciplinary approach provides a thorough introduction to the fundamental themes of Theoretical and Philosophical Perspectives on Fiction. Fiction Fact and Science. Social Effects and Uses of Fiction. Fiction and Politics. Fiction and Religion. Questioning how fictions in fact shape mediate or distort our beliefs about the real world. Essays in this volume outline the state of theoretical debates from the perspectives of literary theory, philosophy, sociology, religious studies, history, and the cognitive sciences. It aims to take stock of the real or supposed effects that fiction has on the world and to offer a wide-reaching reflection on the implications of belief in fictions in the so-called post-truth era.

**Masses and Motets** Jeffrey DeShell,2019-10-08 A crime novel loosely based on the masses and songs of the 17th century Flemish composer Pierre de la Rue Masses and Motets is a tale composed of four basic interwoven threads corresponding to the four part choral writing of Pierre de la Rue s service music The first thread comes from the diaries of a recently murdered priest Father Andrea Vidal former secretary to the notorious Father Marcial Maciel The second thread is the mystery story a police procedural focusing on the efforts of Denver detective Francesca Fruscella to solve the murder and retrieve Vidal s diary The third strand is the story of Father Signelli a priest sent from the Vatican to fix the murder And the fourth strand explores the best and worst of Catholic culture art and music created by Catholic artists and sexual abuse by Catholic priests Vidal s narrative is the story of a priest who systematically sincerely and hopefully tries to destroy his very self through sex drinking and drugs in order to get closer to God Fruscella s story is that of a middle aged female detective trying to solve a ghastly murder while constantly battling the sexism of the Catholic Church Signelli s tale is that of an older career priest who in doing the bidding of his superiors to fix problems that threaten the order of the Church has perhaps compromised his own soul By no means a simple narrative of wicked priests this is a story of men who desperately want to believe as well as a story of what this belief might shelter and cost
