Anyone with a helmet and a car can do it. Of course, it doesn't hurt to have some driving skills, which is where this book comes in. As a veteran racer and professional driving coach, Ross Bentley knows what it takes to compete and to win, and he gives readers the benefit of that knowledge in *Winning Autocross Techniques*. The first in the *Speed Secrets* series to address a specific form of racing, this volume focuses on the skills critical to autocross success: car handling and driver skill at high speeds on unique courses. Bentley clearly details the steps and techniques that help autocross drivers maintain control and dominate a course at speed. Though specific to autocross and essential to mastering its particular challenges, his advice and instruction in this book will prove invaluable to drivers who go on to road racing as well.
