

HIDDEN INTEN

The poster features a woman's face in the center, looking intensely at the viewer. Her skin is dark and textured, with visible red blood on her forehead, nose, and mouth. Her eyes are a pale blue. Above her head is a decorative banner with the words 'HIDDEN INTEN' in a bold, serif font. The banner is flanked by two stylized, metallic skull heads with sharp, fang-like teeth. The background is a dark, smoky, and moody blue, creating a sense of mystery and horror. The overall aesthetic is reminiscent of a movie poster for a psychological thriller or horror film.

Terror Intent Don Pendleton,1997 **International Cooperation in Counter-terrorism** Giuseppe Nesi,2016-04-22
This volume provides a timely analysis of global and regional responses to international terrorism. The work assesses the role of the United Nations and its various organs particularly the General Assembly and the Security Council and discusses the key legal issues. The second part of the book examines the activity of regional organizations both in their own right as well as their interaction with the UN. The volume concludes with a discussion of whether to what extent and how the fight against terrorism has encroached upon fundamental rules of international law such as the international protection of human rights or the use of force among states. The volume is the latest in a series drawing on the presentations of high ranking scholars, diplomats and representatives of international organizations. The result is a stimulating and thought provoking book which will be of interest to researchers and policy makers alike. *Terrorism and Homeland Security* Paul Viotti,Michael Opheim,Nicholas Bowen,2008-06-17 Despite the fact that the Department of Homeland Security DHS has been active since November of 2002 the American homeland is still not secure from terrorist attack.
