Testament From Prison:

The Scripture view of Christ preaching to the spirits in prison rev. Archibald Currie,1871 *Thinking Theologically about Mass Incarceration* Antonios Kireopoulos, Mitzi J. Budde, Matthew D. Lundberg, 2017 This book is the fruit of a multi year dialogue among Christian churches in the United States addressing from theological perspectives mass incarceration as an issue in need of radical reform *Come to Prison* Sewell Stokes,1957 *The Scripture View of Christ Preaching to the Spirits in Prison. With a Criticism of the Different Interpretations* A. CURRIE (of Abercorn.),1871 *The Mariners' Church Gospel Temperance Soldiers' and Sailor's Magazine* ,1843 **Illiterate Inmates** Rosalind Crone,2022 Illiterate Inmates tells the story of the emergence at the turn of the nineteenth century of a powerful idea the provision of education in prisons for those accused and convicted of crime and its execution over the century that followed drawing on evidence from both local and convict prisons *The Church School Journal* ,1897 *Bible Society Record* ,1952 *The Gospel in All Lands* ,1892 **Meditations from a Prison Cell** Francis Olin Stockwell,1954 Meditations composed by a missionary imprisoned in China by communists *Report - British and Foreign Bible Society* British and Foreign Bible Society,1913 Vols 1-64 include extracts from correspondence *Innovating Christian Education Research* Johannes M. Luetz, Beth Green, 2021-01-04 This book reformulates Christian education as an interdisciplinary and interdenominational vocation for professionals and practitioners It speaks directly to a range of contemporary contexts with the aim of encouraging conceptual empirical and practice informed innovation to build the field of Christian education research The book invites readers to probe questions concerning epistemologies ethics pedagogies and curricula using multidisciplinary research approaches By helping thinkers to believe and believers to think the book seeks to stimulate constructive dialogue about what it means to innovate Christian education research today Chapters are organised into three main sections Following an introduction to the volume's guiding framework and intended contribution Chapter 1 Part 1 features conceptual perspectives and comprises research that develops theological philosophical and theoretical discussion of Christian education Chapters 2-13 Part 2 encompasses empirical research that examines data to test theory answer big questions and develop our understanding of Christian education Chapters 14-18 Finally Part 3 reflects on contemporary practice contexts and showcases examples of emerging research agendas in Christian education Chapters 19-24 *All Things Reconciled* Christopher D. Marshall, 2018-06-12 The modern restorative justice movement perhaps one of the most important social movements of our time was born in a Christian home to Christian parents specifically to Christian peace workers striving to put their faith into action in the public arena The first major book on the subject was written primarily for a church audience and drew deeply on biblical themes and values But as restorative justice has moved into the mainstream of criminological thought and policy the significance of its originating spiritual impulse has been minimized or denied and subsequent theological scholarship has done little to probe the relevance of restorative perspectives for doctrine and discipleship In this

collection of essays Christopher D Marshall a biblical scholar and restorative practitioner who has devoted his career to exploring the relationship between the two fields considers how peacemaking Christians can honor the witness and authority of Scripture including its apparently violence endorsing strands as they strive to join in God's great work in Christ of reconciling to himself all things whether on earth or in heaven by making peace through the blood of his cross Col 1:20
