Sequin Land
The World Map in Shantae forms one big loop. After the introduction stage, you begin the adventure in Scuttle Town. If you head right from the Archer Forest, you'll end up on the left side of Mount Pointy. Certain areas can't be traversed until you find the appropriate form — for example, you need the Monkey form before you can get much of anywhere in the Naga Wasteland.

The map also has a few shortcuts. A ladder in the Waterfall area will lead you to an alternate part of the Spider Forest. Similarly, a ladder in the Snail Wasteland will lead you to an alternate section of the Waterfall. The main and alternate parts of these areas are joined with caves that can be uncovered by using the Elephant form to bash tree stumps or rocks.

Also, the first time you encounter the Zombie Caravan, it's to the right of the Ghost Forest. However, after you leave, it will travel around the map. If you want to revisit the Zombie Caravan, it's highly recommended that you bring the necessary Warp Squids to learn the appropriate Warp Dance, so you can easily come back without wandering around the map.

The game world also works on a day/night cycle, with each time period lasting a little over two minutes. During night, certain enemies are stronger or change forms. Additionally, Fireflies can only be found at night. Collect all 12 of them to obtain the Healing Dance.
