Common Core Curriculum: English, Grades K-5 Great Minds, 2014-05-06 Common Core's English resources empower educators to meet the expectations of the Common Core State Standards CCSS for English Language Arts ELA and build essential content knowledge for students in grades K-5. Each grade in The Wheatley Portfolio features a comprehensive coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics. Features of this book include Six thematic units for each grade each centered on a curated collection of literary and informational texts. Focus standards for each unit that complement the topic and promote student mastery of essential literacy skills. Suggested texts and activities to incorporate science, art, and history into English instruction. This revised second edition includes a sample text study that guides students through a close read of an exemplary text, updated web resources, and refreshed suggested works. Educators who create their curriculum based on Common Core's Wheatley Portfolio guarantee that students are exposed to content-rich instruction and have ample opportunity to master the reading, writing, speaking, listening, and language skills articulated in the CCSS for ELA. Spelling Workout, Grade 5 Phillip K. Trocki, Modern Curriculum Press, 1993. Spelling Workout uses a sports theme that gives you and your students the tools you need to be an unbeatable team. Capitalizing on the close tie between spelling and phonics, the program leads students from simple sound-letter relationships to more complex spelling patterns. *Course of Study* Sonoma County (Calif.). Board of Education, 1900.

Your Literacy Standards Companion, Grades 3-5 Leslie Blauman, Jim Burke, 2017-04-28 Standards-based learning just got a lot easier. In this resource, the authors provide indexes for all states implementing state-specific ELA standards. This index allows you to see and understand which page number to turn to for standards-based teaching ideas. Beyond that, it's the same great go-to guide for implementing the standards, translating each and every standard for reading, writing, speaking, and listening, language, and foundational skills into day-to-day what you do, lesson ideas, best literacy practices, group configurations, adaptations for ELLs, and more. It's all here, page by page. The standards for literature and informational texts put side-by-side for easier planning. Teaching ideas for each standard with adaptations for ELLs. Recommendations on how to cultivate the habits of mind that are critical to meeting the standards, including interpersonal skills, collaboration, and perseverance. A glossary of academic language for each standard. An online bank of graphic organizers, student reproducible sample classroom charts, and rubrics. Reproducible planning template for each standard to help you map out lessons, select books, generate key questions, and more. With this book, you have what you need to bring about astounding clarity of expectations for what students are to learn and what teachers can do to bring about the sustained literacy experiences students need to apply their learning. A Student-centered Language Arts Curriculum, Grades K-13 James Moffett, 1973.
