Social Development And Social Policy: International Experiences And China's Reform Dongtao Qi, Lijun Yang, 2016-10-27 Social policy reforms driven by profound social changes have been a popular and pressing topic worldwide in recent years in both policy and academic circles In this book prominent social policy scholars from Europe North America and Asia discuss the history of social policies compare different social development models and analyze the challenges facing these economies social policy reforms The book provides comprehensive and comparative perspectives and updated data on social development and social policy reforms in the world s major economies and particularly in mainland China **Social Development in Asia** Kwong-leung Tang, 2012-12-06 Most Asian countries have shown a strong commitment to rapid economic development Economists have argued that the fruits from economic development will be spread equitably throughout the population In the absence of a strong tradition of social rights social development in Asia has long been taken for granted This collection documents social development in the Asian countries of China Hong Kong Taiwan South Korea Thailand and India and concludes that social development has lagged behind economic development This has given rise to distorted development in many countries Serious development problems of poverty and inequalities have lingered even in these economically advanced countries of Hong Kong Taiwan and Singapore These problems have been exacerbated in the wake of the Asian economic crisis In order to harmonize social development with economic growth Asian states ought to be more proactive in their development agendas As a text on social development in Asia this book is primarily intended for practitioners and students of social work social administration and social policy It is also relevant for students and practitioners of sociology economics and public policy *Social Welfare and Social Development* Enid Hill, 1997 Social Work in East Asia Christian Aspalter, 2016-04-01 Owing to rapid economic development and the onset of population ageing social work has become a major means of delivering social services and relieving and preventing social problems at an individual family and community level in East Asia In addition to this the number of activities undertaken by social welfare NGOs has risen a great deal throughout East Asia resulting in a greater demand for professional social workers With governments across the region having discovered the beneficial effects of professional social work for both social integration and social harmony there is now greater support for the development of this academic discipline and profession This groundbreaking volume explores the current state of development of social work provision across the region It is the first book of its kind to investigate current and future trends as well as the challenges and pitfalls of social work one of the fastest growing professions in East Asia *Financing Welfare State Systems in Asia* Christian Aspalter, 2021-09-28 This book identifies the main causes of welfare state system extension as well as the differences in welfare state system design and their consequences for human behavior and the future financial stability of the systems in place in different parts of Asia Providing ten in depth country case studies from across the region including India Thailand China Hong Kong Macao Taiwan

and South Korea as well as Russia Turkey and Saudi Arabia the book focuses on the situation of welfare state system development and its financing in some of the largest countries on earth It addresses previously neglected areas for investigation such as the causal reasons for welfare state system extension not only in Asia but in general the types of social security systems and their incentive systems in place and the way they chiefly determine behavior and thus determine the resulting social security needs This book will be of interest to all scholars and students of social policy public policy political science sociology finance and economics development studies and Asian studies more broadly

*Health Care Systems in Developing Countries in Asia* Christian Aspalter,Kenny Teguh Pribadi,Robin Gauld,2017-07-14 For the last two decades major Asian economies have successfully kept their economic growth momentum going Now as these economies are entering a new phase of economic growth more attention is being paid to their respective states of social development especially the provision and the expansion of social security and in particular health care Academic study of the development of health care in developing countries has been for the most part neglected by the literature and in depth country case studies that are directly comparable on a one to one basis have not yet been conducted in a systematic manner This book volume also proposes a new stance on health policy and the health care policy paradigm one that focuses on saving lives from premature death as well as illness accidents misery and poverty based on the normative theory of developmental social policy DSP This groundbreaking book will therefore serve as a valuable reference volume for health policy social policy and public policy experts social development experts health and development economists health sociologists social workers government administrators as well as other medical and health professionals and academics
