Social Justice The Christian Church:

Social justice and the Christian Church Ronald H. Nash, 1984 **Social Justice and the Christian Church** Nash Ronald H., 1986-12-01 *Social Justice and the Churches* John D'Arcy May, 2014-12-31 Social justice is not just a matter of applying well known first principles shared by all Christian traditions As these papers by representatives of seven Australian Churches show Christian approaches to social justice are strikingly distinctive both in their starting points and in the positions arrived at on urgent matters of human rights sexual ethics and economic justice Led off by the well known Jesuit human rights advocate Professor Frank Brennan the book includes contributions by Fr Max Vodola Roman Catholic Revd Gerard Rose Churches of Christ Revd Geoff Pound Baptist Revd Raymond Cleary Anglican Mark Zirnsak Uniting Church Major Jenny Begent Salvation Army and Fr Shenouda Boutros Coptic Orthodox Church with concluding reflections by Margaret Coffey ABC Radio National This book is the work of the Yarra Institute for Religion and Social Policy an independent ecumenical organisation promoting scholarship and research on Christian social traditions as they bear on current concerns Launched in 2009 by Professor Brian Howe the Yarra Institute is committed to engaging with our broader culture collaboratively to promote human wellbeing The authors of these chapters come from seven of the Christian traditions which have theological Colleges comprising the University of Divinity in Melbourne **The Social Justice Agenda** Donal Dorr, 1991 **Christian Faith and Social Justice: Five Views** Vic McCracken, 2014-06-19 The Judeo Christian tradition testifies to a God that cries out demanding that justice roll down like waters righteousness like an ever flowing stream Amos 5:24 Christians agree that being advocates for justice is critical to the Christian witness And yet one need not look widely to see that Christians disagree about what social justice entails What does justice have to do with healthcare reform illegal immigration and same sex marriage Should Christians support tax policies that effectively require wealthy individuals to fund programs that benefit the poor Does justice require that we acknowledge and address the inequalities borne out of histories of gender and ethnic exclusivity Is the Christian vision distinct from non Christian visions of social justice Christians disagree over the proper answer to these questions In short Christians agree that justice is important but disagree about what a commitment to justice means Christian Faith and Social Justice makes sense of the disagreements among Christians over the meaning of justice by bringing together five highly regarded Christian philosophers to introduce and defend rival perspectives on social justice in the Christian tradition The positions advocated and critiqued are libertarianism political liberalism liberation theology feminism and virtue ethics While it aspires to offer a lucid introduction to these theories the purpose of this book is more than informative It is purposefully dialogical and is structured so that contributors are able to model for the reader reasoned exchange among philosophers who disagree about the meaning of social justice The hope is that the reader is left with a better understanding of range of perspectives in the Christian tradition about social justice **Religion and Social Justice** S. Thakur, 1996-10-04 This book is a philosophical

examination of the relationship between religion and social justice Its main thesis is that since the primary purpose of religion is the moral and spiritual transformation of human nature it ought not to be construed as a direct instrument of social justice on earth as it is by Liberation theologians for example as well as by many liberal Christians and Jews Indirectly however religion may well be a pre condition of social justice For it can be argued that without the counteracting effects of the moral and spiritual values prescribed by religion the liberal vision of individual rights and social justice may be self defeating Humanity is best served if this liberal vision is counterbalanced by the completely contrary utopia enshrined in the biblical idea of the kingdom of God and its equivalents in the other great religions of the world Unequaled Forrest Maready,2020-09-15 Today many of the treasured institutions that made America such a great place to live are being destroyed Riots fill the streets as cities burn Churches sit empty Families and marriage are no longer held in high esteem Social trust has disappeared Public education is in shambles Law and order are no longer respected and nothing appears safe from disruption Are social justice critical race theory and equality the key to understanding our world s ills Or could the pursuit of them be causing more problems Could our insistence on equality in all things actually be the root of most if not all of our societal religious and political disagreements Follow along as Forrest Maready author of Red Pill Gospel and The Moth in the Iron Lung explains his fascinating take on why this one topic may be crucial to understanding most of our country s and Church s divisions Christianity and Wokeness Owen Strachan,2021-07-20 How wokeness in entering the culture How wokeness is entering the church Why is wokeness an ungodly system Theological issues Why is wokeness and ungodly system Cultural issues What does the Bible teach about identity and ethnicity Old Testament What does the Bible teach about identity and ethnicity New Testament Hard questions on American history and other hot topics *Social Justice and the Churches* JOHN D'ARCY. MAY,2017-06-30 Social justice is not just a matter of applying well known first principles shared by all Christian traditions As these papers by representatives of seven Australian Churches show Christian approaches to social justice are star tlingly distinctive both in their starting points and in the positions arrived at on urgent matters of human rights sexual ethics and economic justice Led off by the well known Jesuit human rights advocate Professor Frank Brennan the book includes contributions by Fr Max Vodola Roman Catholic Revd Gerard Rose Churches of Christ Revd Geoff Pound Baptist Revd Raymond Cleary Anglican Mark Zirnsak Uniting Church Major Jenny Begent Salvation Army and Fr Shenouda Boutros Coptic Orthodox Church with concluding reflections by Margaret Coffey ABC Radio National This book is the work of the Yarra Institute for Religion and Social Policy an independent ecumenical organisation promoting scholarship and research on Christian social traditions as they bear on current concerns Launched in 2009 by Professor Brian Howe the Yarra Institute is committed to engag ing with our broader culture collaboratively to promote human wellbeing The authors of these chapters come from seven of the Christian traditions which have theological Colleges comprising the University of Divinity in Melbourne *Confronting Injustice without Compromising Truth* Thaddeus J. Williams,2020-12-22 God does not

suggest he commands that we do justice Social justice is not optional for the Christian All injustice affects others so talking about justice that isn't social is like talking about water that isn't wet or a square with no right angles But the Bible's call to seek justice is not a call to superficial kneejerk activism We are not merely commanded to execute justice but to truly execute justice The God who commands us to seek justice is the same God who commands us to test everything and hold fast to what is good Drawing from a diverse range of theologians sociologists artists and activists *Confronting Injustice without Compromising Truth* by Thaddeus Williams makes the case that we must be discerning if we are to truly execute justice as Scripture commands Not everything called social justice today is compatible with a biblical vision of a better world The Bible offers hopeful and distinctive answers to deep questions of worship community salvation and knowledge that ought to mark a uniquely Christian pursuit of justice Topics addressed include Racism Sexuality Socialism Culture War Abortion Tribalism Critical Theory Identity Politics *Confronting Injustice without Compromising Truth* also brings in unique voices to talk about their experiences with these various social justice issues including Michelle Lee Barnwall Suresh Budhaprithi Eddie Byun Freddie Cardoza Becket Cook Bella Danusiar Monique Duseon Ojo Okeye Edwin Ramirez Samuel Sey Neil Shenvi Walt Sobchak In *Confronting Injustice without Compromising Truth* Thaddeus Williams transcends our religious and political tribalism and challenges readers to discover what the Bible and the example of Jesus have to teach us about justice He presents a compelling vision of justice for all God's image bearers that offers hopeful answers to life's biggest questions

Jesus for Revolutionaries: An Introduction to Race, Social Justice, and Christianity Robert Chao Romero, 2013 Are you a revolutionary Are you curious about exploring issues of race and social justice from a Christian perspective This book by UCLA Professor and Pastor Robert Chao Romero is for you Topics covered include a biblical framework for understanding poverty race and gender undocumented immigration politics affirmative action mixed race issues Christian social justice pioneers and an introduction to the Christian world of social justice and community development **What Every Christian Needs to Know about Social Justice** Jeffrey D. Johnson, 2021-03-31 At first glance it appears that social justice and Christianity have a lot in common They seem to share a few mutual concerns they're both opposed to bigotry racism and oppression they are mutually concerned for the needy the afflicted and the less fortunate within society and they both seek to resolve conflict as they aspire after unity and peace And with these shared concerns it is tempting for Christians to buy into the validity of social justice But as Jeffrey D Johnson clearly and succinctly explains in just a few short chapters social justice is incompatible with Christianity Johnson takes us through the history of social justice and helps us understand its complex issues This is a brief to the point handbook every Christian should read to understand how contemporary definitions of social justice differ from what the Bible teaches about justice and how social justice seeks to destroy individual rights and the authority of the nuclear family and the conservative church **Social Justice Handbook** Mae Elise Cannon, 2009-09-11 Mae Elise Cannon provides a comprehensive resource for Christians like you who are committed to social justice She

presents biblical rationale for justice and explains a variety of Christian approaches to doing justice A wide ranging catalog of topics and issues give background info about justice issues at home and abroad and give you the tools you need to take action

Connecting Jesus to Social Justice Thomas Hughson,2013-10-10 Many Christians see the societal dimension of their faith as a matter of biblical and social ethics Returning to classical Christology *Connecting Jesus to Social Justice* explores messianic potential in the Council of Chalcedon on the divine identity of Christ Who Jesus is makes all the difference to Christian entrance into the public sphere on behalf of a just society The Messiah s divinity bears on social mission directed toward a just social order Theological appropriation of Chalcedon overcomes a gap between the professing the Creed and interpreting social existence in light of a just social order *Connecting Jesus to Social Justice* argues a doctrinally traditional orthodox basis for Christian participation in the public sphere on behalf of social justice The book addresses a situation internal to churches in the U S from a Catholic perspective yet not without analogies in other churches and Christian movements Applying traditional Christology to contemporary social mission solidifies an answer to adversarial queries on the appropriateness of a social agenda Implications in the classical Christology also confirm churches and discipleship in commitment to social justice promoted through a subaltern counter public and then by word and deed in the public sphere

The Bible and Social Justice Cynthia Long Westfall,Bryan R. Dyer,2016-03-10 Although the cry for justice in human society is an important theme in the Bible in many church and academic circles action for and discourse about social justice is carried on without a thorough exploration of this theme in Scripture This volume brings together chapters by experts in the various sections of the Old and New Testaments to give a full spectrum of what the Bible has to say about social justice and to point to ways forward for Christians seeking to think and act in harmony with God in pursuing social justice in the world today

Divine Rebels Deena Guzder,2011 *Divine Rebels* chronicles the extraordinary efforts of American Christian activists who agitate for a world free of racism patriarchy bigotry retribution ecocide torture poverty and militarism While pundits speak of the Religious Right this is the underreported story of American Christians who are progressive because they are religious They don t see themselves simply performing good work but Godly work They believe in a community based on ethics a world with infinite potential for improvement and an inclusive God of love These rabble rousers are small in number and their efficacy is best measured on the margins but they are part and parcel of an American tradition that began with the nation s earliest Quaker abolitionists By profiling social justice activists on the frontlines of the Christian Left since the 1960s *Divine Rebels* articulates a forward thinking faith based alternative to both the conservative drone warping religion as well as the political left s alienating cynicism
