Social Problems In A Free Society Myths Absurdities And Realities:

Social Problems in a Free Society Myles J. Kelleher, 2004 The future of the sociologist's profession is jeopardized by an ongoing trend toward the politicization of sociology and the radicalization of social problems This book calls for the rethinking of the culture of social political and economic liberty to create a resurgence of a sociological agenda Social Problems in a Free Society offers an original perspective on social problems such as violations of the principles of individual rights and the free market This book is a vision for reinvigorating the discipline in a fashion undreamt of within the wearisome strains of today's radical social problems theory *Genocide in Jewish Thought* David Patterson, 2012-03-26 Drawing upon Jewish categories of thought this book suggests a way of thinking that might help prevent genocide *The Seven Ages of Man* James Innes-Smith, 2020-11-05 What does it mean to be a man in the twenty first century How can today's men lead a more fulfilling existence Masculinity has reached a moment of crisis From the erosion of unifying institutions such as marriage to a rise in male suicide rates the last century and a half has been a particularly turbulent time to be a man Increasing numbers of men are finding themselves anchorless uprooted from the conventions and certainties of their forefathers Today masculinity itself has come under attack relentlessly maligned in the media Now more than ever the long and perilous journey from infant to old age is fraught with strange complexities moral dichotomies and maddening contradictions Incisive and solution driven *The Seven Ages of Man* offers men of all ages and the women who love them a clear roadmap to a more meaningful life and a better future for all Part practical guide and part call to arms it encourages a return to decency compassion humility understanding and forgiveness *Iron Curtains* Sonia A. this book calls upon the business community to take such an initiative Whilst the first volume of this work traced the development of the new majority and its potential readiness to promote desired change and whilst the second volume laid out the theoretical basis for Social Capitalism and a new political consciousness the third and final volume is concerned with the policies and practicalities of a Social Capitalist world Part I of the present volume is concerned with the international dimension and especially the Third world and the need for its internal capitalisation and redefining the benefits of free trade and the priority of environmental questions Parts II and III are concerned with strategies for national prosperity on the macro economic level in advanced industrial economies and Part IV considers the reforms of the business enterprise in successfully integrating the common aims of employers and employed Part V is an exercise in the critique of Rentier capitalism comprising an expos of 43 leaders of major corporations and Part VI concludes the work with a summary and analytical declaration of Social Capitalist values and aims As this book clearly demonstrates a free and democratic world cannot be achieved or maintained without the successful establishment of a Social Capitalist society which seeks to maximise the individual ownership and control of the means of production distribution and exchange Under different pseudonyms Robert Corfe is also the author of 3 autobiographical works *Death In Riyadh* Geoff Carter describing his life as a businessman in the Middle East in the 80s *My Conflict With A Soviet Spy* Eddie Miller relating his adventures in Finland in the mid 60s and *The Girl From East Berlin* James Furner an epic novel relating his love affair in the old German capital at the end of the 50s
