Social Work Stress And Intervention:

Handbook of Stress in the Occupations Janice Langan-Fox, Cary L. Cooper, 2011-01-01 The Handbook of Stress in the Occupations sets a new agenda for stress research and gives fresh impetus to scholars who wish to focus on issues and problems associated with specific jobs some of which have received little attention in the past Written by researchers who are true experts in the field of each occupation this comprehensive Handbook reviews stress in a wide range of jobs including transport education farming fishing oil rig drilling finance law enforcement fire fighting entrepreneurship music social services prisons sport and health including surgery internship dentistry nursing paramedics psychiatry and social work Several occupations such as oil rig drilling are reviewed these jobs have always been stressful but have received little attention by researchers and only now receive more focus due to the Bay of Mexico accident Other occupations demand more of our attention because there have been substantial technological changes in particular jobs such as in dentistry nursing and surgery This lucid and insightful compendium will be a source of inspiration for those in the helping professions and all those individuals working in the industries described in the book More specifically the Handbook will strongly appeal to human resource specialists psychologists occupational health and safety professionals managers nurses and therapists Written in highly accessible language it will also provide rich reading to lay audiences including job incumbents themselves as well as specialists in industry and academia Academics and postgraduate students of business management and psychology will find plenty of detailed information regarding stress associated with occupations **Social Work Treatment** Francis J.

Turner, 2011-03-15 First published in 1974 Social Work Treatment remains the most popular and trusted compendium of theories available to social work students and practitioners It explores the full range of theoretical approaches that drive social work treatment and knowledge development from psychoanalysis to crisis intervention This treasure trove of practice knowledge equips professionals with a broad array of theoretical approaches each of which shine a spotlight on a different aspect of the human condition Emphasizing the importance of a broad based theoretical approach to practice it helps the reader avoid the pitfalls of becoming overly identified with a narrow focus that limits their understanding of clients and their contexts This sweeping overview of the field untangles the increasingly complex problems ideologies and value sets that define contemporary social work practice The result is an essential A to Z reference that charts the full range of theoretical approaches available to social workers regardless of their setting or specialty Promoting Health and Well-being in Social

Work Education Beth R. Crisp, Liz Beddoe, 2013-10-18 Social work educators can play an important part in ensuring that the promotion of health and well being is firmly on the social work agenda for service users as well as for students and educators Nevertheless this has not been a priority within social work education and presents a challenge which requires some re thinking in terms of curriculum content pedagogy and how social workers respond to social problems Furthermore if the promotion of health and well being is not considered a priority for social workers this raises important questions about the

role and relevance of social work in health and thus poses challenges to social work education both now and in the future This book contains contributions from social work educators from Australia America Canada New Zealand and the UK They reflect on how best to prepare students to put health and well being to the forefront of practice drawing on research on quality of life subjective well being student well being community participation and social connectedness religion and spirituality mindful practices trauma and health inequalities This book is an extended version of a special issue of Social Work Education Transformative Social Work Practice Erik M.P. Schott,Eugenia L. Weiss,2015-08-24 Transformative Social Work Practice presents an innovative and integrative approach towards critically reflective practice with an interweaving of micro mezzo and macro applications to real world demands The authors explore issues commonly addressed by social workers including health mental health addictions schools and family and community violence while challenging assumptions and promoting ethically driven evidence based practice perspectives to advocate for social justice and reduce disparities The book is about redefining social work practice to meet the current and complex needs of diverse and vulnerable individuals families and communities in order to enhance their strengths in an era of unprecedented technological growth globalization and change *Social Workers' Desk Reference* Albert R. Roberts,Gilbert J. Greene,2002 Following in the groundbreaking path of its predecessor the second edition of the Social Workers Desk Reference provides reliable and highly accessible information about effective services and treatment approaches across the full spectrum of social work practice **The Pain of Helping** Patrick J. Morrisette,2004-11 The purpose of The Pain of Helping is to provide a source that identifies condenses and consolidates information pertaining to psychological injury In addition to providing details regarding construct definition information pertaining to symptomatology assessment instruments e g structured interview questionnaires treatment options leading theoreticians journals books and web sites are also included This book will serve as a primary source and directory for additional information pertaining to psychological injury To date there has not been a concerted effort to synthesize and consolidate the literature of psychological injury and present this valuable information in a systematic and methodological fashion *Stress in Health Professionals* Roy Payne,Jenny Firth-Cozens,1987 This book is aimed at occupational clinical and health psychologists nurses doctors paramedical staff and all who manage people in health settings The editors have invited an international team of authors to review the literature with a focus on three main questions how much stress there is what stressors cause it and what can be done to help individuals and organizations cope with its consequences The unique stresses arising from caring for the sick and dying are particularly explored Handbook of Community-Based Clinical Practice Anita Lightburn,Phebe Sessions,2006 Bridges community practice and clinical practice by collecting 33 chapters from social workers psychologists and psychiatrists that outline and illustrate the state of the art Designed specifically for clinicians making the transition to community based work Provided by publisher **SWT, Social Work Today** ,1985 *Social Work Stress and Intervention* Stephen Fineman,1985 **Social Work Treatment** Francis
