*How Canadians Communicate IV* David Taras, Christopher Robb Waddell, 2012 Substantial changes have occurred in the nature of political discourse over the past thirty years Once traditional media dominated the political landscape but in recent years Facebook Twitter blogs and Blackberrys have emerged as important tools and platforms for political campaigns While the Canadian party system has proved surprisingly resilient the rhythms of political life are now very different A never ending 24 hour news cycle has resulted in a never ending political campaign The implications of this new political style and its impact on political discourse are issues vigorously debated in this new volume of *How Canadians Communicate* as is the question on every politician's mind How can we draw a generation of digital natives into the current political dialogue With contributions from such diverse figures as Elly Alboim Richard Davis Tom Flanagan David Marshall and Roger Epp *How Canadians Communicate IV* is the most comprehensive review of political communication in Canada in over three decades one that poses questions fundamental to the quality of public life

**Of Passionate Intensity** Trevor Harrison, 1995 *Of Passionate Intensity* looks at the problems faced by liberal democracies worldwide from the unique perspective of Canadian history and politics In this timely book Trevor Harrison examines the historical social and ideological forces that give rise to changing political formations particularly populist parties and movements The federal election of 25 October 1993 was a watershed in Canadian political history While the Liberal party regained power the real election story was the near eclipse of two of Canada's traditional parties the NDP and the Progressive Conservatives and the rise to prominence of two neophyte parties the Bloc Quebecois and the Reform party

Founded in 1987 the Reform party has achieved extraordinary popularity What factors explain Reform's success Who supports the party And what is likely to be its long term political future Harrison provides an empirical and theoretically informed response to these questions and others Drawing from Canadian history economic developments and political and cultural contexts Harrison incorporates a broad range of sources He uses a historical sociological methodology employing surveys interviews newspaper accounts and primary documents On a theoretical level the text uses the case of the Reform party as a means of addressing the questions Why do populist parties arise and What factors influence their ideological orientation Of *Passionate Intensity* concludes with a discussion of the nature of populist politics and the promise of popular democracy in the future BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

M. Bumsted, 1992 Volume 2 describes the period 1885 1921 as one of economic expansion sustained by the Great War in which there was a great wave of social reform connected with industrialization and urbanization The next period 1921 1945 which includes the Great Depression and the Second World War is characterized by what Stephen Leacock called The Unsolved Riddle of Social Justice The war itself brought national sovereignty to Canada and gave birth to the welfare state The growth and affluence that followed along with striking changes in lifestyles and headlong developments in the arts are described for the period 1945 1972 The 1970s to the present when all the givens of the past Liberalism centralism and nationalism were attacked from several directions and began to unravel are brilliantly surveyed by Bumsted who inevitably concludes his study before the resolution of the most profound crisis in the history of the country     **Introduction to Canadian Politics and Government** Walter Leroy White, R.
