**Interpreting Residential Life** James S. Atherton,2023-10-13 First published in 1989 Interpreting Residential Life raises questions like a what makes residential establishments tick b what is going on beneath the surface of the daily routine c why is change so difficult to create and even more difficult to sustain and d how can residential social workers evaluate their work James Atherton provides a set of tools to enable residential workers to answer these questions in their own establishments Simply and directly he provides a framework which shows how policy and practice relate to each other and reinforce or hinder each other in crises as well as in routines He examines the whole residential establishment as a social system concentrating on daily life within it and demonstrating how values are implicit in all aspects of practice He draws on the experiences of residential staff at all levels to uncover the working myths and offers ways of understanding how establishments function and indicates the pathways to change This is an essential read for students of social work and sociology
