**Ethics and Risk Management in Online and Distance Social Work** Frederic G. Reamer,2020-05-30 Timely and essential Ethics and Risk Management in Online and Distance Social Work identifies

pertinent ethical challenges and ethically related risk management issues that social workers should consider when using digital technology to assist people in need. The text illuminates how the use of technology is influenced by traditional ethics concepts including consent, privacy, confidentiality, professional boundaries, documentation and other issues. The text begins by discussing how social workers today are leveraging technology to provide services to clients and the importance of continually considering the ethical issues involved in using such communication methods. It addresses the specific ethical issues involved in video counseling, cybertherapy, text messaging, self-guided web-based interventions, smartphone apps and other forms of digital communication. Ethical regulatory and practice standards are covered as well as challenges in integrated health and social work educational settings. The final chapter is dedicated to preventing and managing ethical and legal risk. *Ethics and Risk Management in Online and Distance Social Work* is an ideal textbook for advanced courses in social work. It is also an excellent resource for social workers interested in incorporating online or distance communication in their practice.

[Understanding Social Work](#) Neil Thompson, 2024-01-25

What is social work? How is it carried out? What skills does it require? Despite its many challenges, social work remains a rewarding career that makes a difference. *Understanding Social Work* is a much-loved and highly acclaimed introduction to what is involved in the role, offering an excellent grounding in what the profession is all about. Neil Thompson provides a clear and helpful account of the knowledge, skills and values that underpin social work, makes clear what some of the main challenges of social work are and helps you rise to those challenges. Each engaging and succinct chapter supports the reader's learning and development with case studies, valuable advice from experienced practitioners, practical exercises and further reading suggestions. In this sixth edition, Thompson shares lessons from his expert witness work and offers renewed focus on the significance of loss and grief and the resurgence of interest in anti-racism in social work. It is an ideal starting point for people considering a career in social work, students beginning their social work journey and for experienced practitioners who want to revisit their roots. Accompanying online resources are available at [bloomsburyonlineresources.com](http://bloomsburyonlineresources.com) the effective social worker. These resources are designed to support teaching and learning when using this textbook and are available at no extra cost.
