

Social Work With Multicultural Youth

Aisha Denise Smith

Social Work With Multicultural Youth:

Social Work with Multicultural Youth Diane Deanda, 2013-01-11 Explore the cultural familial and community resilience and protective factors that are available to different youth populations in the U S The face of American youth is changing In 2000 ethnic minority youth constituted one third of the adolescent population by mid century the combined ethnic minority youth population will exceed the white adolescent population This vital book illustrates the diversity within the adolescent population examines the factors that serve as barriers and as facilitators to development and identifies strengths and protective factors contributing to resilience as well as needs and risk factors Social Work with Multicultural Youth presents accurate conceptual frameworks for understanding the experiences of ethnic youth to help you create culturally relevant interventions to promote their well being Here is a sample of what you ll find in this important and informative book a comprehensive epidemiological profile of adolescent populations with current data on issues that contribute to adolescents health and well being cultural strengths models and resilience models that meet the developmental needs of Latino and African American youth an overview of the academic disparities between Latina adolescents and their cohorts in other ethnic groups an important chapter that employs conflict theory to place the disadvantaged status and position of African American youth in its proper context specific recommendations for modifying the process of preparing Latino and African American youth in foster care for emancipation information on factors that differentially impact academic achievement between African American youth and their European American cohorts real world data about the who and where of adolescent fighting identified by race ethnicity gender and age new information about substance use in Asian Pacific Islander populations in America with important implications for substance abuse interventions resilience and protective factors that emerge from a qualitative study of seventh grade Latina adolescents a look at the differences in sexual behavior and attitudes between Latina adolescents born in the United States and those born outside the U S an evaluation of a unique five hour intensive intervention aimed at changing the knowledge and attitudes of Latino youth in regard to pregnancy and STDs

Social Work with Multicultural Youth Diane De Anda, 2003 Annotation The face of American youth is changing In 2000 ethnic minority youth constituted one third of the adolescent population by mid century the combined ethnic minority youth population will exceed the white adolescent population This vital book illustrates the diversity within the adolescent population and examines the factors that serve as barriers and as facilitators to development It also identifies strengths and protective factors contributing to resilience as well as needs and risk factors In Social Work with Multicultural Youth you ll find accurate conceptual frameworks for understanding the experiences of ethnic youth to help you create culturally relevant interventions to promote their well being

Multicultural and International Approaches in Social Work Practice Kui-Hee Song, 2016-09-26 Building upon the author s integrative and interactive ideas about human services fields this book presents an intercultural perspective of social work education practice and research with culturally linguistically relationally

underprivileged minority groups in the local and global communities to show how the synthesis of theories from postmodern social constructionism multiculturalism and international organization empowerment can be applied when working with Asian immigrant families This book also demonstrates how a mutual development model of intercultural organizational institutional collaborative partnership can be relevant when providing an International Experience for Human Services Abroad Course Author Kui Hee Song uses in depth case studies in the culturally linguistic and diverse context of human services fields and in the cross nationally interactive context of host country human services organizations and home university academic administrations Kui Hee Song examines the clinical change process of a Korean immigrant family that is working with Child Protective Services seeking to resolve physical child abuse problems and generate new meanings in parent child relationships through therapeutic conversational dialogue As the new to this edition a case of Ming s story is especially the cultural differences between the Chinese immigrant client family and American medical setting where practitioner s personal beliefs were challenged Kui Hee Song critically examines specific steps to take in establishing intercultural service learning field placements for an experiential learning education abroad course Song explores the significant leadership roles and responsibilities of host country human services organizations and home university administrators involved with making a new international human services experience abroad program planning implementation and evaluation Specially Song provides a profound understanding of the empowerment process of a Korean family a conversational partnership in dialogue that invites the clients to speak their loud hitherto unheard voices and enhance a personal perception of competency for action and hope Song also gives a thoughtful comprehension of a mutual empowerment process of cross national collaborative partners differential responsibilities but mutually shared power vision and goals in working relationship that allows for each collaborator to stand together in unity of transactional and transformational leadership behaviors and strengthens the sustainability of the effective international human services experience abroad program

Empathy and Business Transformation Melanie Sarantou,Satu Miettinen,2022-10-05 Due to its potential transformative nature empathy has increasingly received attention in business psychology neuroscience education medicine social sciences and design to mention only a few During the last two decades discussions about the role of empathy in design and creative research and practice have developed with empathy perceived as a key instrument in human centred design and design thinking This book revisits the powerful concept of empathy in the new post pandemic era in which ubiquitous digitalisation presents challenges to retaining human centredness when developing products and services The book presents a practical four step approach to the challenges presented concerning how organisations can turn from merely feeling empathy with or for people to actions of empathy and compassion that can be implemented with and by communities A wide range of organisations and organisational settings can benefit from the presented case studies and research methods Through them the book explores how to discover share and act with empathy and compassion in the new

digitally driven post pandemic era to innovate across a wide range of organisations including for profit and not for profit businesses and those in the public and third sectors This edited volume will appeal to global researchers in the fields of product and service design and digital social innovation as well those interested in organisational development The practical interdisciplinary nature of the book and innovative four step approach will also appeal to upper level students
