the heart but never reach the lips living forever in the realm of what could have been spoken It s haunting and feels so raw to write love a love which is so silent grey and silver with unspoken words of the beloved and trembling courage of the lover where hesitation lies where love is often showcased as in poetry as I write Maybe not all the time love finds its voice Maybe sometimes it sounds better to show love that stays hidden Unspoken yet Alive Maybe aching too They say that when silence is written beautifully it speaks louder than words And if my words give voice to the reader s unspoken heart that is the greatest gift an author can receive Maybe sometimes feelings are written in a way that turns into a confession itself A confession a silent confession where readers recognise their own unsaid words and deep inside they feel understood in their silence which has validated their emotions Maybe that s what untold emotion is In this Poem Collection Untold Feelings I have tried to explore the silent emotions which may speak to the reader s hidden heart A Silence Written in Such a Beautiful Way Which Turns into an Unspoken Truth Ah Silent One you don t know the meaning of my words they hold a thousand unsaid sentences inside waiting for courage Now it has become like when I want to speak I freeze and when I stay silent I regret not speaking Read Untold Feelings and tell me did my words speak what you couldn t say
