Several discourses ... by B. W. ... examined and correct by his own notes; and published by J. Jeffery Benjamin WHICHCOT,1703      **Where Do We Go Now, Lord?** Robert Winkler Burke,2023-11-10 Where Do We Go Now Lord is a spirited journey filled with humour wisdom and unexpected twists Dive into the uproarious misadventures of Norman Starmaster as he embarks on a quest to challenge long held beliefs Yet with each hilarious misstep he unwittingly reinforces the very truths he s out to debunk Encounter extraordinary characters and unforgettable places all woven together by Norman s unquenchable zest for life This book isn t just a page turner it s a joyous romp that reminds us of the unpredictable nature of truth and discovery      **Not In Their Name** Holly Lawford-Smith,2019-02-14 There are many actions that we attribute at least colloquially to states Given their size and influence states are able to inflict harm far beyond the reach of a single individual But there is a great deal of unclarity about exactly who is implicated in that kind of harm and how we should think about responsibility for it It is a commonplace assumption that democratic publics both authorize and have control over what their states do that their states act in their name and on their behalf In Not In Their Name Holly Lawford Smith approaches these questions from the perspective of social ontology asking whether the state is a collective agent and whether ordinary citizens are members of that agent If it is and they are there s a clear case for democratic collective culpability She explores alternative conceptions of the state and of membership in the state alternative conceptions of collective agency applied to the state the normative implications of membership in the state and both culpability from the inside and responsibility from the outside for what the state does Ultimately Lawford Smith argues for the exculpation of ordinary citizens and the inculcation of those working in public services      The Tao Encounters the West Chenyang Li,1999-01-01 Examines liberal democracy and Confucianism as two value systems and argues for a future where both coexist as independent value systems in China      *Boys and Girls* Vivian Gussin Paley,1984 In Boys and Girls Vivian Paley has re created a year of kindergarten teaching in which she explored the differences in the ways children play and fantasize
