

# CONTEXTS

The circumstances and setting that provide background information about an event, statement, or idea. The context helps you more fully understand something.

## SOCIAL

Social contexts are all about society and what you need to know about your society in any situation. Society has rules around behavior and interaction.

## HISTORICAL

Historical contexts are all about what was unique or specific about a certain time in history. This can include cultural and social contexts that are now in the past.

## CULTURAL

Cultural contexts are all about understanding cultural expectations and norms. It is different from social context because it's specific to a culture's or subculture's values, not the values of your society as a whole.

## ECONOMIC

Economic contexts describe what you need to know about the economics of a situation. For example, a company trying to expand to a new country will want to know the rules of business and supply chain quality to see if they will succeed.

web apr 1 2017 jun 2019 ashok senapati a k varshney vineet sharma view show abstract in comparison the lowest pressure drop of 2 24 kpa was observed at the aspect ratio of 2 m m and the furnace temperature

**fluidized beds overview fundamentals of fluidized beds design** - May 16 2022

web 1 what is a fluidized bed a fluidized bed is typically made of a column which is containing the solid to fluidize mostly powders sometimes granules 6 mm diameter and which has at its base a distribution plate that allows to blow a gas through the bed of particles on top of the column a gas exhaust is installed

design and fabrication of a low cost fluidized bed reactor iiste - Apr 14 2022

web in this section we give the major components the design calculations and the fabrication of the fluidized bed 3 1 design calculations in this section we present the design parameters of the components of the bed the design computations and performance tests carried out on the reactor 3 1 1 the fluidizing vessel requirements
