

# Social Work With Groups In Health Settings

**Toba Schwaber Kerson**

## **Social Work With Groups In Health Settings:**

Handbook of Social Work with Groups, Second Edition Charles D. Garvin, Lorraine M. Gutierrez, Maeda J.

Galinsky, 2017-06-26 Revised edition of Handbook of social work with groups 2006      **Social Work in Health Settings**  
Toba Schwaber Kerson, 1997 As the most comprehensive text of its kind Social Work in Health Settings introduces social work students to a range of clients and provides an overview of many social work settings and services in the health arena. If you're a practitioner you'll find the book useful for examining and evaluating your practice. This second edition features 18 new chapters and chapter subjects and rewritten and updated versions of the 14 chapters which were part of the first edition.

**Social Work in Health Settings** Judith L.M. McCoyd, Toba Schwaber Kerson, 2016-03-17 Social Work in Health Settings Practice in Context maintains its use of the Practice in Context PiC decision making framework to explore a wide range of social work services in health care settings. The PIC framework is used to cover a broad range of social work practice sites, settings, and populations over 30 case chapters. Fully updated to reflect the landscape of health care provision in the US since the Affordable Care Act was passed, the cases are grounded by primer chapters to illustrate the necessary decisional and foundational skills for best practices in social work in health settings. The cases cover working with both individuals and groups of clients across the life course, and the PiC framework helps maintain focus on each of the practice decisions a social worker must make when working with a variety of clients from military veterans to HIV positive children. The ideal textbook for social work in health care and clinical social work classes, this thought-provoking volume thoroughly integrates social work theory and practice and provides an excellent opportunity for understanding particular techniques and interventions.

**Time as a Factor in Groupwork** Albert S. Alissi, 1985 This informative book provides the helping professional with valuable information on the benefits and drawbacks of time-limited social groupwork.      **Group Work** Urania Glassman, 2008-10-08 This book presents groupwork under the framework of a humanistic approach which lends itself particularly well to working in groups. The underlying concept behind the humanistic approach is rooted in humanism and democratic principles, thus that people within a democracy are responsible to themselves and to their society. As applied to the therapeutic group environment, the author applies humanistic values of the individual's responsibility for others, caring, mutual aid, respect for others and differences, and inclusiveness to the group and fosters an environment of trust, belonging, acceptance, and support.      *Supervision and Professional Development in Social Work Practice* Amanda M. Nickson, Margaret Anne Carter, Abraham Francis, 2026-01-22 This book aims to familiarise its readers with the current state of supervision in social work, provide them a common platform for reflection and action, and thereby promote excellence in their respective learning, research, and professional practice areas. Designed for social work students, social workers, human service professionals, researchers, community practitioners, and academics, the underpinning value base and philosophy of this book is social justice, professional integrity, respect for persons, and human rights, with a focus on nurturing compassionate human

service professionals in the sector Offering a contemporary approach the book focuses on recent developments in supervision and professional development Presenting an interface between academics and practice the authors provide reflections practice questions and activities related to the examples from the voices from the field besides presenting different practice contexts and cultural lenses and considerations for cross cultural practice including Indigenous supervision and practice issues The book could be used as a text or handbook for effective supervision sessions across the helping professions This book will prove indispensable for academics practitioners supervisors and supervisees as well as postgraduate and advanced undergraduate students of social work counselling psychology and education Social Work Education Bibliography ,1983

**Social Work with Groups** National Conference on Social Welfare,1957 *Pediatric Education in Community Settings* Thomas G. DeWitt,Kenneth B.
