**Society for Old Testament Study Book List 1993** Lester L. Grabbe,1993     **Arch Of Society** Thomas

Levy,1995-01-01 This volume marks a departure from earlier descriptive archaeological summaries of the Holy Land Taking an anthropological and socio economic perspective many of the leading archaeologists who work in Israel and Jordan today present timely and concise summaries of the archaeology of this region Chronologically organized each chapter outlines the major cultural transitions which occurred in a given archaeological period To explain the processes which were responsible for culture change a review is made of the most recent research concerning settlement patterns innovations and technology religion and ideology and social organization The material culture of every period of human history in the Holy Land is explored from the earliest prehistoric hominids through the Biblical and historical periods and up to modern 20th century times Each chapter is accompanied by settlement pattern maps and a plate highlighting the major artifacts which archaeologists use to identify the material culture of the period In addition windows are presented which focus on major social issues and controversies such as The Agricultural Revolution the Israelite Conquest of Canaan and Ancient Metal Working and Social Change This volume should provide students and the general reader with a useful reference volume concerning the archaeology of societies which lived and live in the Holy Land     [The Psychology of the Bible](#) Brian J.

McVeigh,2020-09-17 Fire and brimstone bellowing prophets and a good dose of old fashioned sermonizing these are the images the Bible brings to mind But this assortment of sacred writings in particular the Old Testament is more than a collection of colorful allegories or miracles and morals mythology Though written in the first millennium BCE these holy writings are a nostalgic recounting of a lost super religious mentality that characterized the Bronze Age The Psychology of the Bible explores how the Old Testament provides perspective into the tumultuous transition from an earlier mentality to a new paradigm of interiorized psychology and introspective religiosity that came to characterize the first millennium BCE By examining the Old Testament s historical background and theopolitical context utilizing linguistic analysis and applying systems and communication theory this book interprets biblical passages through a new lens It analyzes divine voices visions and appearances of heavenly messengers angel and prophets as neurocultural phenomena and explains why they were so common This book also answers why definitions of God changed so radically illuminates the divinatory role of idols and other oracular aids e g the Ark of the Covenant provides a framework for appreciating why wisdom literature became so significant and clarifies the linkages among music poetry and inspiration     **Society for Old Testament Study Book List 2001**

George J. Brooke,2001-06-01 The Book List provides short reviews of up to 500 books a year It includes publications not only on the Old Testament directly but also on many related areas including archaeology epigraphy Hebrew and related Semitic languages especially Northwest Semitic relevant ancient Near Eastern history and literature the Hellenistic world early Judaism and social anthropology The main value of the Book List is its comprehensiveness and its immediacy in that it is

usually among the first periodicals to review a book This publication also appears as issue 5 of the Journal for the Study of the Old Testament Book List Society for Old Testament Study,1992 *International Who's Who of Authors and Writers* 2004 Europa Publications,2003 Accurate and reliable biographical information essential to anyone interested in the world of literature The International Who's Who of Authors and Writers offers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters Index to Book Reviews in Religion ,1998 Bookseller's catalogues Thornton J. and son,1883 **World Christian Trends Ad30-ad2200 (hb)** ,2001 *Introducing the Old Testament* John William Drane,2000 There is a wealth of the latest scholarship here yet written so lucidly and simply that the message is absolutely clear It makes exciting reading of a most informative kind Church of England Newspaper **History and Ideology in the Old Testament Prophetic Literature** Antti Laato,1996 In this study arguments are put forward for the thesis that biblical exegesis of the Old Testament prophetic literature is not a simple matter of interpreting texts but is also a process in which logical models or possible worlds are constructed to accommodate the validity of particular interpretations The lack of a model theoretical orientation to Old Testament methodological approaches has led to a situation in which the criticism of particular theories rarely addresses the real points of disagreement between scholars One theory is simply set against another even though the theories would be more effectively evaluated by discussing the validity and relevance of the different models in which they are framed There are various plausible and relevant models available for the interpretation of Old Testament texts In order to compare these different models a metalogical system Charles Sanders Peirce's semiotics has been used throughout this study Many important methodological issues are discussed in this study a Jewish Missionary Intelligence ,1893 Missionary Review of the World ,1888 The Literary World ,1893 Annual Report of the American Bible Society American Bible Society,1885 Together with a list of auxiliary and cooperating societies their officers and other data **Report - British and Foreign Bible Society** British and Foreign Bible Society,1915 Vols 1-64 include extracts from correspondence Report of the Ecumenical conference on foreign missions Ecumenical missionary conference,1900 Reports of the British and Foreign Bible Society British and Foreign Bible Society,1873 Index to the Periodical Literature of the World ,1894 **The queen's printers' aids to the student of the holy Bible.
