## **Sociocultural Dimensions Of Language Change:**

Sociocultural Dimensions of Language Change Ben G. Blount,Mary Sanches,2014-05-10 Sociocultural Dimensions of Language Change focuses on the influence of sociocultural terms on the forms of languages The selection first underscores the sociocultural dimensions of language change and language evolution and speech style Discussions focus on the relation of speech style and language evolution linguistic evidence of language evolution autonomy of code and style language contact phenomena and extension of the concept of language The book then takes a look at speech and social prestige in the Belizian speech community Japanese numeral classifiers and speculations on the growth of ethnobotanical nomenclature Topics include appearance of varietal names differentiation and formation of specific names six universal categories of ethnobotanical nomenclature salience of speech and prestige social success and language The publication elaborates on color categorization in West Futunese creolization and syntactic change in New Guinea Tok Pisin relexification processes in Philippine Creole Spanish and the historical and sociocultural aspects of the distribution of linguistic variants in highland Chiapas Mexico The selection is a valuable source of data for language experts and researchers interested in the sociocultural dimensions of language change

*Sociocultural Dimensions of Language Use* Mary Sanches,Ben G. Blount,1975 Presents detailed articles that shed light upon the ritual and social elements of verbal behavior

*The Development and Acquisition of Japanese Benefactive Constructions* Kiyono Fujinaga-Gordon,2024-09-16 If you were to travel to Japan you would likely hear giving and receiving verbs in conversations quite frequently In Japanese giving and receiving verbs are not only used to describe an object being transferred but also metaphorically for example to describe giving receiving a favor or involvement in an event Giving and receiving verbs in all of these situations are known as benefactive constructions Role and Reference Grammar analysis allows us to analyze which structures of benefactive constructions correspond to different meanings This book will explore the historic evolution of Japanese benefactive constructions and how children acquire these constructions

*Explorations in Japanese Sociolinguistics* Leo Loveday,1986-01-01 Explorations in Japanese Sociolinguistics provides a treasure of information on the Japanese language and the social and cultural system it has developed and is embedded in To the non specialist it opens an unknown world To the specialist it offers theoretical and methodological perspectives aimed at avoiding the interference of myth and musing with accurate characterizations A general introduction on Japanese sociolinguistics is followed by two case studies one on the ethnography of ritual and address at a Japanese wedding reception and one on the pragmatics of Japanese donatory verbs The final chapter discusses cross cultural contrasts and the danger of semiotic schism in Japanese Western interaction

**Pragmatics and Classical Sanskrit** Lieve Van De Walle,1993-01-01 This book explores the possibilities and limitations of pragmatic research in classical Sanskrit concentrating on linguistic politeness The four case studies it comprises are in essence empirical and try to accurately describe a fairly limited number of interactions between an also limited number of people The underlying

assumption is that a micro analysis yields recognizable patterns of communicative styles and that these generalizations improve our insight in the workings of politeness deference in this language and in languages in general This book also shows that the relation between classical languages and pragmatics is not necessarily a one way street The data provide ample evidence that a detailed text study offers rich opportunities both to supplement experimental studies e g the Cross Cultural Speech Act Realization Project and to evaluate existing pragmatic theories constructed on the basis of contemporary languages *The Emergence of Symbols* Elizabeth Bates,2014-05-10

*The Emergence of Symbols* Cognition and Communication in Infancy provides information pertinent to the nature and origin of symbols the interdependence of language and thought and the parallels between phylogeny and ontogeny This book clarifies some of the conceptual and methodological issues involved in the search for prerequisites to language Organized into seven chapters this book begins with an overview of the distinction between homology and analogy in the study of linguistic and nonlinguistic developments This text then explains the conceptual and operational definitions for such controversial terms as intention convention and symbolic behavior Other chapters consider the limits and advantages of the correlational method as applied in the research This book discusses as well the structure and content of early symbol use both in language and in play The final chapter examines the processes that underlie imitation and tool use as they contribute to the child s analysis of his culture This book is a valuable resource for neural biologists psychologists and social scientists

**Sociolinguistics in Hindi Contexts** Raja R. Mehrotra,2019-07-22 No detailed description available for Sociolinguistics in Hindi Contexts *Edhina Ekogidho -*

*Names as Links* Minna Saarelma-Maunumaa,2003-10-17 What are the most popular names of the Ambo people in Namibia Why do so many Ambos have Finnish first names What do the African names of these people mean Why is the namesake so important in Ambo culture How did the long independence struggle affect personal naming and what are the latest name giving trends in Namibia This study analyses the changes in the personal naming system of the Ambo people in Namibia over the last 120 years starting from the year 1883 when the first Ambos received biblical and European names at baptism The central factors in this process were the German and South African colonisation and European missionary work on the one hand and the rise of African nationalism on the other hand Eventually this clash between African and European naming practices led to a new and dynamic naming system which includes elements of both African and European origin

**Language** George Melville Bolling,Bernard Bloch,1979 Proceedings of the annual meeting of the Society in v 1 11 1925 34 After 1934 they appear in Its Bulletin *Working Papers on Bilingualism* ,1978 Modernization in Tamil L.

Ramamoorthy,2000 International Social Science Journal ,2002 *Child Discourse* Susan Moore Ervin-Tripp,Claudia Mitchell-Kernan,1977-06-28 Child Discourse contains papers presented in a symposium on child discourse at the annual meeting of the American Anthropological Association in Mexico City in November 1974 Three other papers one presented by Edelsky at the same meeting and two by Dore and Garvey are also included to broaden the scope of methods and issues

considered Organized into three parts this book generally aims at describing and analyzing social and linguistic knowledge of a child in utilizing language to project socially appropriate identities and to engage in purposive social acts Part I focuses on children's speech events while Part II centers more on function and act The last part takes into consideration the social aspect of language usage among children    **The Genesis of Language** Kenneth C. Hill, 1979 **Papers on Creolization**  
second language acquisition contact stimulated marginal languages and theoretical orientations in Creole studies    **Books**  
**in Series**, 1985 Vols for 1980 issued in three parts Series Authors and Titles    Panagani Andrew B. Gonzalez, 1984    **The**  
**Subgroup Structure of the Tai Languages** Yongxian Luo, 1997    Meaning, Form, and Use in Context Deborah  
Schiffrin, 1984    **Meaning, Form, and Use in Context**, 1984    **MIT Working Papers in Linguistics**, 1996
