

# WHAT IS SOCIOLOGY?

**Sociology** is the study of the development, structure, and functioning of human society.

**Sociologists** investigate the structure of groups, organizations, and societies, and how people interact within these contexts.

*Examples of **sociology** include studying the relationship between culture and society, examining social movements, or researching how communication affects human behavior.*

# Sociologists On Sociology

**Kai T. Erikson**

## **Sociologists On Sociology:**

Sociologists on Sociology Mullan, 1987      *The Sociologist's Eye* Kai T. Erikson, 2017-08-22 A masterful introduction to and appreciation of sociology as a window into our world The culmination of a distinguished career this fascinating exploration into the nature of human social life describes the field of sociology as a way of looking at the world rather than as a simple gathering of facts about it Kai Erikson notes that sociologists look out at the same human scenes as poets historians economists or any other observers of the vast social landscape spread out before them but select different aspects of that vast panorama to focus on and attend to Erikson's lively and accessible volume considers how sociology became a field of study and how it has turned its attention over time to new areas of study such as race and gender and what Erikson calls social speciation This book provides readers with new ways of thinking about human culture and social life an exhilarating sense of what the world looks like when viewed with a sociologist's eye      **Sociologists on Sociology** Robert

Mullan, 2022-02-23 Originally published in 1987 this edition in 1996 *Sociologists on Sociology* is a unique and sometimes controversial account of the development disputes and the future of sociology as seen through the eyes of eleven of the world's leading sociologists at the time Consisting of interviews with Anthony Giddens Robert K Merton Howard Becker Peter Townsend Ralf Dahrendorf Peter Worsley Stuart Hall John Rex Michael Mann Laurie Taylor and Ann Oakley the book explores such crucial issues as the nature of deviance the scientific status of sociology the relationship of Marxism and sociology the contours of race and class feminism relevance of ethnomethodology and the procedures of participant observation The contributions of such figures as Goffman Mills Parsons Weber and Foucault are assessed and in clear and concise language the contributors discuss their own theoretical interests and empirical work in the field Students and practitioners of the social sciences will find the book a fascinating and a uniquely direct insight into the thoughts of sociology's leading figures and a remarkable cumulative assessment of the state of the discipline itself      **Practicing Social Science**

Devorah Kalekin-Fishman, 2016-12-01 How is the process of globalization effecting changes in the structure of knowledge in sociology This path breaking volume looks at the human dimension of developments in the discipline by compiling a set of interviews that exemplify the life and work of a sociologist today Their ideas and conceptualizations show to what extent a paradigm shift has taken root answering questions such as whether sociology still remains a differentiated relatively autonomous social science The chosen interviewees are about equally divided according to gender and have been selected from among professional sociologists in different parts of the globe with an emphasis on areas that are under represented in English publications such as East Asia Latin America and Africa Analysis focuses on changes which are becoming clear from the on going confrontation between traditional sociology which emerged as a project of modernity and the sociology practiced by sociologists who are called upon to adapt the discipline to the upheavals of the twenty first century

**Sociologists in Action** Kathleen Odell Korgen, Jonathan M. White, Shelley K. White, 2013-03-14 The only text to provide

real life examples of how practicing sociologists use sociology to work toward social change and social justice Providing vivid examples of how sociologists are using sociological tools to make a positive impact on our society this one of a kind book helps students better understand how their study of sociology can be put to good use in today s world Each of the 14 chapters closely aligned with key topics in sociology courses is filled with stories from practicing sociologists that help students better understand how their sociology studies can be applied and provides answers to the question but what can I do with a sociology degree Discussion questions and suggested additional readings and resources at the end of each chapter give students the opportunity to delve further into the topics covered and carry out full and nuanced discussions grounded in the real world work of public sociologists Contributor to the SAGE Teaching Innovations and Professional Development Award Find out more at [www.sagepub.com/sociologyaward](http://www.sagepub.com/sociologyaward)

**A Journey of Discovering Sociology** Long Chen,2020-08-13 This book gathers the author s interviews with twenty leading sociologists from various fields at nine different prestigious universities in the USA including their viewpoints anecdotes and experiences in the world of sociology Each chapter presents an interview with one sociologist covering their views on contemporary sociology their early university experiences teaching experiences experiences with publishing and their reflections on life as a sociologist Through the dialogues readers can learn about sociology as well as sociologists lives in a unique and insightful way just as the author did and embark on a journey of discovering sociology The book helps readers find their own answers to the two main questions explored What is sociology and What is a sociologist s life like

***Sociological Theory*** Bert N. Adams,R. A. Sydnie,2001-01-30 This concise text covers both classical and contemporary social thought It traces the major schools of thought over the past 150 years as they appear and reappear in different chapters and looks at important new voices in social theory The treatment of individual theories and theorists is balanced with the development of key themes and ideas about social life

**A Sociology of Sociology** Robert Winslow Friedrichs,1970 The structure social scientific revolutions Normal and Revolutionary sociology Sociology the prophetic mode The cloud of neutrality Sociology The priestly mode Recovery of the prophetic mode Science dilemmas of choice The commitments of social research The presumptive faith of science Sociological man as natural man The marxist Analogue The calling of sociology

**Sociologists in Action** Kathleen Odell Korgen,Jonathan M. White,Shelley K. White,2010-12-08 This book provides vivid examples of how sociologists are using sociological tools to make a positive impact on our society In each chapter four or five public sociologists will describe in vivid detail how they have used sociology to understand and influence the world around them The chapters will cover the key topics in sociology courses and the pieces will bring the subject matter of sociology to life for students giving them clear examples of the power and usefulness of sociology as they learn the course content The discussion questions and suggested additional readings and resources at the end of every chapter will provide students the opportunity to delve further into the topics covered and help create full and nuanced discussions grounded in the real world work of public sociologists

***Contemporary Social and Sociological Theory***

Kenneth Allan, 2010-05-13 Written in a conversational style that conveys the author's enthusiasm for theory this updated edition of Kenneth Allan's acclaimed text appeals to the reader to consider the theoretical you as an individual in 21st century society This book introduces students to an array of social theories each presented from the perspectives of these well known theorists Peter Blau Janet Saltzman Chafetz George Homans Jean Baudrillard Michel Foucault Talcott Parsons Herbert Blumer Harold Garfinkel Dorothy E Smith Pierre Bourdieu Anthony Giddens Immanuel Wallerstein Judith Butler Erving Goffman William Julius Wilson Manuel Castells Jürgen Habermas Cornel West Filled with examples drawn from daily life this edition highlights diversity in contemporary society exploring theories of race gender and sexuality that address today's most important social concerns Students will learn to think theoretically and apply theory to their own lives

**Sociological Work** Howard Saul Becker, The papers in this volume including two important and previously unpublished essays on sociological method represent most of Howard Becker's work of the past twenty years that has not appeared in book form They reflect the way of thinking about society and how to study it that has established Professor Becker's place among the leading sociologists of our time The result is an important statement of the distinctive theoretical and methodological views associated with the Chicago School of sociology reflecting a deep concern with the study at first hand of the processes and human consequences of collective action and interaction The first part of the book treats problems of method as problems of social interaction and lists a series of research problems which require analytic attention gaining access to research sites choosing a theoretical framework within which to approach a group or community avoiding error and developing hypotheses They also exemplify this approach by analyzing the interactional aspects of definition proof with qualitative evidence bias and the value commitments of sociology Part Two illustrates Professor Becker's approach through full reports on two of his major research projects Part Three contains four theoretical statements on how people change a sociological approach to what psychologists call personality and Part Four makes important contributions to the study of deviance The papers here ask what we can learn about American society from looking at its common forms of deviance and illustrate the need to study deviance as part of the general study of society not as an isolated specialty

**Sociologists' Tales** Katherine Twamley, Mark Doidge, Andrea Scott, 2015-04-15 Sociologists Tales brings together the thoughts and experiences of key UK sociologists from different generations of British sociology in reflecting on why they have chosen a career in sociology how they have managed to do it and what advice they would offer the next generation

**Sociological Theory** Walter L. Wallace, Annotation In this fundamental contribution to the study and application of sociological theory Wallace examines a wide range of theories within a framework that clarifies their interrelationships and illustrates their implications for empirical research Wallace is able to point out the symbiotic relationships among these theories which at first may appear to be in direct opposition or at least discord Sociological Theory begins with an original essay by the editor that introduces the reader to eleven general theoretical viewpoints He calls these ecologism demographism materialism

psychologism technologism functional structuralism exchange structuralism conflict structuralism symbolic interactionism social actionism and functional imperativism To do this Wallace assembles selected readings by major theorists that provide detailed examples of each of the theoretical viewpoints discussed The selections are keyed to the framework developed in the Introduction so as to enable the reader to work back and forth between the general and the particular statements Offering far more than a mere survey or an abstract critical analysis In this way Sociological Theory provides a learning matrix that facilitates comprehension and enables the reader systematically to expand his knowledge of sociological theory In developing his analytical framework Wallace points out how these different types of theory complement rather than conflict with one another Through this approach he is able to show the distinctive level and scope of analysis of each theory to demonstrate why the sociologist must draw upon and integrate several viewpoints for interpreting research results and formulating hypotheses A useful guide and reference work for researchers and teachers the book is an excellent basic or supplementary text for all theory courses As Robert K Merton noted at the time of the original publication Sociological Theory is a beautiful piece of work *The Sociological Experience* Scott G. McNall,1969 **Discovering Sociology** John Rex,2014-08-21 Professor John Rex was one of Britain's most eminent sociologists and a teacher of a whole generation of sociology students In this book he presents a stimulating introduction to the major issues of sociological theory and gives an account of the perspective which has informed his thinking and writing He deals with the objectives of sociological investigation the methods it uses and how in these respects it resembles or differs from natural science and history He goes on to discuss the work of Weber Durkheim Marx Engels Mills and other important theorists and concludes with a convincing demonstration of the continuing relevance of the Weberian tradition to the study of sociology **Doing Sociology** Jammie Price,Roger Straus,Jeff Breese,2009-08-16 This successor to the well known Using Sociology covers standard topics found in any sociology textbook Doing Sociology walks lay readers through the steps of doing real life sociological practices as conducted by experts in the field The contributors to this volume range from university and college faculty government sociologists and practitioners from the private sector Each of the chapters is by intention and design a personal statement a case study illustrating how the authors practice sociology in their own words and style giving readers a clearer understanding of what sociologists do outside of teaching in universities And most importantly an understanding of what they could do with sociology Readable relevant and accessible Doing Sociology is an invaluable resource as a stand alone course reader or as a supplement to a traditional textbook **Georg Simmel** David Frisby,2002 Until recently little of Simmel's work was available in translation and certain key texts were unknown outside Germany David Frisby the eminent Simmel scholar provides not only an introduction to the major sociological writings of this important figure but also an argument for a reconsideration of his work The author outlines the cultural and historical context in which Simmel worked reviews Simmel's most important writings and examines his legacy to sociology by illuminating his links with Weber's theories and his

influential relationship with Marxism Simmel a central figure in the development of modern sociology and a contemporary of Weber and Durkheim was one of the first to identify sociology as a separate discipline His ideas influenced Weber the Chicago School and many later sociologists His introduction of a number of basic concepts to sociology such as exchange interaction and differentiation attest to his intellectual stature and the far reaching significance of his work Sociologists in a Global Age Professor Mathieu Deflem,2012-12-28 Sixteen leading international sociologists are brought together in this volume to share their experiences of becoming practitioners in the field Selected for their comparative and transnational interests and experiences the contributors include Martin Albrow Karin Knorr Cetina Diane E Davis Pierpaolo Donati Leon Grunberg Horst J Helle Eiko Ikegami Tiankui Jing Hyun Chin Lim Ewa Morawska Richard M nch Saskia Sassen Joachim J Savelsberg Piotr Sztompka Edward A Tiryakian and Ruut Veenhoven Each contributor provides an auto biographical review of their journey into the discipline with special attention paid to the intellectual and social political contexts in which their work matured Each chapter concludes with a commentary on the anticipated future direction of that particular sociological area These original and reflective contributions provide fascinating and rare insights into the careers of sociologists living in a global age **Sociological Traditions From Generation to Generation** Robert King Merton,Matilda White Riley,1980 This book provides insight into the lives and contributions of eight master sociologists as perceived by their outstanding students It provides perspectives on evolving cognitive traditions and the oral transmission of knowledge the emergence of new ideas the role of continuity and discontinuity in the developments of science and the relations of these to social change Why Study Sociology Elliott A. Krause,1980

### **Sociologists On Sociology Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Sociologists On Sociology free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Sociologists On Sociology free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer

free PDF downloads on a specific topic. While downloading Sociologists On Sociology free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Sociologists On Sociology. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Sociologists On Sociology any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Sociologists On Sociology Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sociologists On Sociology is one of the best books in our library for free trial. We provide a copy of Sociologists On Sociology in digital format, so the resources that you find are reliable. There are also many eBooks related to Sociologists On Sociology. Where to download Sociologists On Sociology online for free? Are you looking for Sociologists On Sociology PDF? This is definitely going to save you time and cash in something you should think about.
