Circular and Booksellers' Record ,1910 **The English Prison Health System After a Decade of Austerity, 2010-2020** Nasrul Ismail,2022-11-21 Austerity has reconfigured and scaled back the governance and delivery of public services and negatively affected society s most vulnerable groups This book opens up the closed world of English prisons to examine its impact on prison health governance and healthcare delivery It argues that austerity has been a decade long large scale political experiment that has caused debt to balloon eroded the prison health system and perpetuated a cycle of punishment resulting in sicker prisoners In short austerity has violated prisoners human rights Drawing on interviews and data from existing longitudinal and economic analyses the book demonstrates how austerity has resulted in high rates of recidivism diminished what remains of the welfare state and increased inequality and punitiveness Despite a decade of failure there is a marked political reluctance to dispense with austerity and the governmental juggernaut continues to produce the same result As the spectre of recession increases caused in part by Brexit and COVID 19 these failures are ever more perilous This book blends the interdisciplinary perspectives of criminology public health sociology law social policy politics and economics to enable greater understanding of the impact of austerity on health governance prison healthcare the prison workforce and prisoners health and safety It challenges current policy practice and thinking and is a must read for anyone who wants to reflect on how the political economic structure can affect the governance and delivery of healthcare services in marginalised settings beyond prisons and indeed beyond England **Studies in Political Economy** Anthony Musgrave,1875 **The Saturday Review of Politics, Literature, Science and Art** ,1884 Political Women Mrs. Elizabeth Stone,1875 The

Jewish Year Book ,1899
