*The Nefarious Necklace* Cate Lawley, 2017-04-26 Shiny sparkly deadly The gems from a necklace owned long ago by a notorious woman are killing people in the here and now But where has the necklace been for the last several hundred years Why has it surfaced now And most importantly who would disassemble such a gorgeous work of art Mallory certainly wants to know But it s not until yet another corpse surfaces that her sleuthing team hops on board to help Click to find out how a stunning piece of jewelry becomes an implement of death and who s behind it s reappearance *Jake And The Nefarious Glub* G.A. Franks, 2021-12-07 It s the first teatime of the summer holidays and things have already started to go wrong for Jake Starling When Jake s mum signs him up for a super boring reading competition he s convinced that his summer holiday is definitely ruined But a mysterious trip to the library leads to a bonkers magical adventure where Jake meets a very strange new friend in a very very unusual place A warm summer evening turns into an exciting race against time when Jake and his friends encounter a vile creature known as The Nefarious Glub If you re reading this then well done You have found a brilliant book and you should definitely read it But be warned if you enjoy sensible stories about princes and princesses and puppies and kittens this isn t the book for you Jake and the Nefarious Glub is full of all sorts of gross and yucky things and might make you laugh so much that some snot comes out of your nose Don t say you weren t warned **The Mysterious Case of the Nefarious Seafarers** CJ Lutton, 2010-12-27 To those so inclined my long association with the great Sherlock Holmes may appear at first blush an incredible journey through life Valiant knights on a quest to rid the world of evil doers with the occasional slaying of a dragon along the way Truly a romantic s ideal After all what child hasn t dreamt of curing the world s ills and ridding the populace of its criminal element True rooming with one of the most remarkable minds of our time afforded me the privilege of chronicling many of our exciting adventures but as many of my readers are well aware Holmes was often churlish and disagreeable when there were no cases to challenge his keen mind As Holmes would self pityingly put it it was during a particularly cruel and spiteful lull in London s crime rate that I reluctantly found myself returning to the flat at Baker Street after completing my consultation at Royal Bethlam Hospital on St George s Road As a doctor of medicine it is normally not my wont or habit to administer to the health and welfare of lunatics but a colleague was in a quandary regarding a particular patient and he sought my opinion as to the poor soul s physical well being With much trepidation I allowed myself to be cajoled into paying a visit to Bedlam So it was that I upon returning to Baker Street in an already sour mood caused no doubt by the deplorable conditions of Bethlam Hospital that I had little patience with Holmes s petulant and mean spirited disposition Entering the flat I had no other desire than to scrub the foul stench and oppressive mood off me and I hung my coat on the back of the door Holmes lay sprawled on the sofa browsing the papers and from the mess of discarded pages scattered about the room it was obvious that he did not find anything to his liking Turning his head in my direction his angry expression confirmed my fears Ah Watson he remarked sarcastically swinging upright and tossing the

remaining papers in the air I trust you had an enjoyable outing Not now Holmes I m in no mood to Ignoring my words  
 entirely Holmes continued to rant on Has the Queen offered a proclamation placing all of London s criminals on holiday  
 There s not one hint of scandal or conspiracy brewing in any of these rags In a fit of tantrum he punted the newspapers in the  
 air scattering the fluttering sheets about the room My God Holmes must you Again ignoring my pleadings he went on     **A**
