Warfare Time Sheka Mansaray, 2016-03-18 This book will focus the reader on what it means to battle spiritual warfare. Furthermore it gives you practical steps biblically based on how to engage in this battle in your day to day life. This isn't some the devil made me do it or its all the devils fault philosophy. It delves into the reality of human weakness in a broken world yet challenges to take a stand and move forward all the while focusing and relying on the biblical truths of Jesus Christ. This is that type of book you simply cannot read over and just move on. You will definitely plan on reading it again and delving into and memorizing the many scriptures it mentions. This book incites you to meditate on God's word. If you believe in what's above then you need to know what's below. Ours is a battle within and this book lets it all out there in such a manner that you can stand a chance in this often damaged range of evil and confusion. The book was written in fact to help you destroy and fight back to take what is yours or what you have struggled with your walk in the Lord. You can benefit with some good information on this book.

This book lists every format of every single, EP and album released in the UK in the 1980s by over 140 of the decade's biggest acts, from ABBA to Paul Young. This fourth edition has been fully revised and expanded to include even more acts than ever before, with additional sections to cover Band Aid-style charity congregations and compilation albums from the early 80s, K-Tel efforts through to the Now That's What I Call Music series and its competitors. Compiled by Steve Binnie, editor of the 80s music website Sound of the Crowd and writer, producer and co-host of the unconventional 80s chart show Off The Chart, broadcast weekly on Mad Wasp Radio.
