Division formerly the Philippine Division which did not appear in the earlier one The lineages are current though 1 October 1997 Brigade headquarters and headquarters companies or headquarters except for aviation and engineer brigades organic to the above mentioned combat divisions since ROAD Reorganization Objective Army Divisions in the early 1960s have also been incorporated Divisional aviation and engineer brigades are branch specific and therefore have been omitted The lineages and honors for Army National Guard divisions and separate combined arms brigades that were active on 1 October 1997 are also included Preface

**The Story of the 91st Division (Classic Reprint)** ,2015-07-12 Excerpt from The Story of the 91st Division The 91st Division has been singularly fortunate It was among the first to be formed in America it was sent to France in time to be one of the units composing the First American Army and as such was held in reserve at Saint Mihiel and took part in the battle of the Meuse Argonne While with the Group of Armies in Flanders it participated in the Ypres Lys offensive the armistice found the Division still in the front line approaching Brussels There were many fine divisions which never had the opportunity of getting into action It is the realization of this that makes us appreciate the good fortune that was ours We hope that we can justly feel that we gave all and the best that was in us while we appreciate that troops which served in the Service of Supply contributed as much to the success of the American Expeditionary Forces as did the troops in the Zone of the Advance About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
