# Story Of Yiddish Literature

**Abraham Aaron Roback**

## Story Of Yiddish Literature:

**A History of Yiddish Literature** Solomon Liptzin,1985 Index Bibliography p 501 507    **The Story of Yiddish Literature** Abraham Aaron Roback,1974    **The History of Yiddish Literature in the Nineteenth Century** Leo Wiener,1899    The History of Yiddish Literature in the 19. Century Leo Wiener,1899    **The Story of Yiddish Literature** A. A. Roback,2013-10 This is a new release of the original 1940 edition    **Children and Yiddish Literature From Early Modernity to Post-Modernity** Gennady Estraikh,Kerstin Hoge,Krutikov Mikhail,2016-05-20 Children have occupied a prominent place in Yiddish literature since early modern times but children s literature as a genre has its beginnings in the early 20th century Its emergence reflected the desire of Jewish intellectuals to introduce modern forms of education and promote ideological agendas both in Eastern Europe and in immigrant communities elsewhere Before the Second World War a number of publishing houses and periodicals in Europe and the Americas specialized in stories novels and poems for various age groups Prominent authors such as Yankev Glatshteyn Der Nister Joseph Opatoshu Leyb Kvitko made original contributions to the genre while artists such as Marc Chagall El Lissitzky and Yisakhar Ber Rybak also took an active part In the Soviet Union meanwhile children s literature provided an opportunity to escape strong ideological pressure Yiddish children s literature is still being produced today both for secular and strongly Orthodox communities This volume is a pioneering collective study not only of children s literature but of the role played by children in literature    *Yiddish Literature* Charles Allan Madison,1968 This is a comprehensive and critical study of Yiddish literature Written simply and with persuasive clarity it makes evident the genuine importance of Yiddish fiction and poetry written over the past century This wealth of writing mostly unknown to those unfamiliar with the language is discussed in detail in order to provide the reader with an appreciative understanding of its content breadth of view historic elements and literary significance    **No Star Too Beautiful** Joachim Neugroschel,2002 A newly translated treasury of Yiddish literature features stories that best represent Jewish traditions culture and history in a volume that includes works from the earliest literary periods through the present day writings of I B Singer 15 000 first printing    A Treasury of Yiddish Stories Irving Howe,1955    Classic Yiddish Stories of S. Y. Abramovitsh, Sholem Aleichem, and I. L. Peretz Ken Frieden,2011-09-14 Two novellas by S Y Abramovitsh open this collection of the best short works by three influential nineteenth century Jewish authors Abra movitsh s alter ego Mendele the Book Peddler introduces himself and narrates both The Little Man and Fishke the Lame His cast of characters includes Isaac Abraham as tailor s apprentice choirboy and corrupt businessman Mendele s friend Wine n Candles Alter and Fishke who travels through the Ukraine with a caravan of beggars Sholem Aleichem s lively stories reintroduce us to Tevye the gregarious dairyman as he describes the pleasures of raising his independent minded daughters These are followed by short monologues in which Aleichem gives voice to unforgettable characters from Eastern Europe to the Lower East Side Finally I L Peretz s neo hasidic tales draw on hasidic traditions in the service of modern literature These stories

provide an unsentimental look back at Jewish life in Eastern Europe Although nostalgia occasionally colors their prose the writers were social critics who understood the shortcomings of shtetl life For the general reader these translations breathe new life into the extraordinary worlds of Yiddish literature The introduction glossary and biographical essays contemporaneous to each author put those worlds into context making the book indispensable to students and scholars of Yiddish culture The History of Yiddish Literature in the Nineteenth Century Leo Wiener,1899 The History of Yiddish Literature Leo Wiener,2017 **A Treasury of Yiddish Stories** Irving Howe,Eliezer Greenberg,1954 Short stories proverbs and folk tales traditional and modern *The History of Yiddish Literature in the Nineteenth Century* Leo Wiener,2019-02-08

**The Story of Yiddish Literature** Abraham Aaron Roback,1940 **The History of Yiddish Literature in the Nineteenth Century (Classic Reprint)** Leo Wiener,2015-06-28 Excerpt from The History of Yiddish Literature in the Nineteenth Century In London the British Museum furnished me with a few modern works which are now difficult to procure especially the periodical Kolmewasser and Warschauer Jidisehe Zeitung Unfortunately my time was limited and I was unable to make thorough bibliographical notes from these rare publications besides I then hoped to be able to discover sets of them in Russia In this I was disappointed hence the meagreness of my references to them The Rosenthaliana in Amsterdam and the Imperial Library in Berlin added nothing material to my information Warsaw was my first objective point as regards facts and books The latter I obtained in large numbers by rummaging the bookstores of Scheinfinkel and Morgenstern In a dark and damp cellar in which Morgenstern kept part of his store many rare books were picked up In Warsaw I received many valuable data from Perez Dienesohn Spektor Freid Levinsohn both as to the activity which they themselves have developed and as to what they knew of some of their confreres In Bialystok I called on the venerable poet Gottlober he is very advanced in years being above ninety is blind and no longer in possession of his mental faculties but his daughter gave me some interesting information about her father Wilna presented nothing noteworthy except that in a store a few early prints were found In St Petersburg I had hoped to spend usefully a week investigating the rich collections of Judeo German in the Asiatic Museum and the Imperial Library The museum was however closed for the summer and the restrictions placed on the investigator in the library made it impossible to inspect even one tenth of the three or four thousand books contained there About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Outwitting History** Aaron Lansky,2005-09-02 This true story of a quest to save Jewish literature is a detective story a profound history lesson and a poignant evocation of a bygone world The Boston Globe In 1980

an entire body of Jewish literature the physical remnant of Yiddish culture was on the verge of extinction Precious volumes that had survived Hitler and Stalin were being passed down from older generations of immigrants to their non Yiddish speaking children only to be discarded or destroyed So Aaron Lansky a twenty three year old graduate student issued a worldwide appeal for unwanted Yiddish works Lansky s passion led him to travel from house to house collecting the books and the stories of these Jewish refugees and the vibrant intellectual world they inhabited He and a team of volunteers salvaged books from dusty attics crumbling basements demolition sites and dumpsters When they began scholars thought that fewer than seventy thousand Yiddish books existed In fact Lansky s project would go on to save over 1 5 million volumes from famous writers like Sholem Aleichem and I B Singer to one of a kind Soviet prints This true account of his journey is both extraordinary The Boston Globe and entertaining Los Angeles Times Lansky charmingly describes his adventures as president and founder of the National Yiddish Book Center which now has new headquarters at Hampshire College in Amherst Mass To Lansky Yiddish literature represented an important piece of Jewish cultural history a link to the past and a memory of a generation lost to the Holocaust Lansky s account of salvaging books is both hilarious and moving filled with Jewish humor conversations with elderly Jewish immigrants for whom the books evoke memories of a faraway past stories of desperate midnight rescues from rain soaked dumpsters and touching accounts of Lansky s trips to what were once thriving Jewish communities in Europe The book is a testimony to his love of Judaism and literature and his desire to make a difference in the world Publishers Weekly *Introduction to Old Yiddish Literature* Jean Baumgarten,2005-06-02 Jean Baumgarten s Introduction to Old Yiddish Literature thoroughly revised from the first edition and translated into English provides students and scholars of medieval Renaissance and early modern European cultures with an exemplary survey of the broad and deep literary tradition in Yiddish Baumgarten conceives of his work as the study of an entire culture via its literature and thus he conceives of literature in a broad sense he begins with four chapters addressing pertinent issues of the larger cultural context of the literature and moves on to a consideration of the primary genres in which the culture is expressed epic romance prose narrative drama biblical translation and commentary ethical and moral treatises prayers and the broad range of literature of daily use medical legal and historical In the field of early Yiddish studies the book will be the standard of intellectual breadth and scholarly excellence for decades to come In this second edition the hundreds of text citations and bibliographical references that are the scholarly basis of the study have been verified and the citations translated anew directly from the original source *Jewish Literature and History* Eliyana R. Adler,Sheila E. Jelen,2008 This book examines the relationship between Jewish literature and the historical setting in which it was written The types of literature analyzed in this study include ghost stories Yiddish Ukrainian and Russian Jewish literature plays letters poetry even obituaries *Music from a Speeding Train* Harriet Murav,2011-08-15 Music from a Speeding Train explores the uniquely Jewish space created by Jewish authors working within the limitations of the Soviet cultural system It situates

Russian and Yiddish language authors in the same literary universe one in which modernism revolution socialist realism violence and catastrophe join traditional Jewish texts to provide the framework for literary creativity These writers represented attacked reformed and mourned Jewish life in the pre revolutionary shtetl as they created new forms of Jewish culture The book emphasizes the Soviet Jewish response to World War II and the Nazi destruction of the Jews disputing the claim that Jews in Soviet Russia did not and could not react to the killings of Jews It reveals a largely unknown body of Jewish literature beginning as early as 1942 that responds to the mass killings By exploring works through the early twenty first century the book reveals a complex emotionally rich and intensely vibrant Soviet Jewish culture that persisted beyond Stalinist oppression

## Decoding **Story Of Yiddish Literature**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Story Of Yiddish Literature**," a mesmerizing literary creation penned by way of a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
