## Strange Faith:

*The Articles of Faith of the Holy Evangelical Church, According to the Word of God and the Ausburg Confession. Set Forth in Forty Sermons ... Translated ... Into English by J. M. Magens Peder NASKOV,1754* [Popular Religion in Russia](#)  
Stella Rock,2007-09-10 This book dispels the widely held view that paganism survived in Russia alongside Orthodox Christianity demonstrating that double belief dvoeverie is in fact an academic myth Scholars citing the medieval origins of the term have often portrayed Russian Christianity as uniquely muddled by paganism with double believing Christians consciously or unconsciously preserving pagan traditions even into the twentieth century This volume shows how the concept of dvoeverie arose with nineteenth century scholars obsessed with the Russian folk and was perpetuated as a propaganda tool in the Soviet period colouring our perception of both popular faith in Russian and medieval Russian culture for over a century It surveys the wide variety of uses of the term from the eleventh to the seventeenth century and contrasts them to its use in modern historiography concluding that our modern interpretation of dvoeverie would not have been recognized by medieval clerics and that double belief is a modern academic construct Furthermore it offers a brief foray into medieval Orthodoxy via the mind of the believer through the language and literature of the period *Writings and Translations* Miles Coverdale,1844 **Rational Religion and Morals: Presenting Analysis of the Functions of Mind, Under the Operations and Directions of Reason** Thomas J.
